iPhone: The Missing Manual David Pogue, 2018-11-06 The iPhone XS XS Max and XR aren't just faster and more powerful than ever they're also better at all of the things you use an iPhone for. With the latest edition of this bestselling guide you get a funny gorgeously illustrated guide to the tips, shortcuts and workarounds that will turn you into an iPhone master. This easy-to-use book will also get you up to speed on all iOS 12 features including new Siri shortcuts, Group FaceTime and improved parental controls. Missing Manual series creator and former New York Times columnist David Pogue helps you accomplish everything from web browsing to watching videos. You'll get up to speed on features such as Dual SIM Support that lets you use two lines on one phone and True Tone technology that adjusts the display to your environment. Pick up this beautiful full-color book and learn how to get the most out of your iPhone. **The Insanely Easy Guide To the Samsung Galaxy Watch4** Scott La Counte, Unlock the Power of Samsung Galaxy Watch4 Watch4 is a game changer for Samsung. For years the Android watches have felt to be lagging behind the Apple Watch. Finally with the Watch4 there's a watch that really feels like it does it all from health to productivity. You'll probably find that this watch is saving you time and making you more efficient. For many people however the Watch4 is an interface unlike anything they've ever used. This guide will help uncover all the most valuable features to make sure you get the most out of your investment. Inside you'll discover how to Set the device up, Replace the straps, Use the different modes, Change Watch Faces, Add and remove apps, Save battery life, Use health features, Use built-in apps, And much more. Ready to get started? Let's go! NOTE: This guide is not endorsed by Samsung and should be considered unofficial.

Investing in Hidden Monopolies Patrick J. Wierckx, 2025-11-01 Investing in quality companies is often cited as the most reliable way to achieve successful investment returns. However, the question remains: why do so many investors adopting this approach fail to generate such returns? Many books have been written on investing, but only every few generations a book emerges that challenges the way we think about investing. This is such a book. After decades of research into why some companies stay successful while others fail, former Head of Equities Patrick Wierckx managed to uncover the answer. Now, for the first time, he shares his insights in a book that captivates even the most experienced investors. By drawing on his more than 25 years of institutional investment management experience, he offers a groundbreaking approach to help investors analyze companies more accurately and achieve successful investment returns. Whether you are a beginning investor or a seasoned professional, *Hidden Monopolies* offers an invaluable resource for every investor who wants to take full advantage of those companies that deliver superior returns over the long term. **HIDDEN MONOPOLIES** will teach you the secrets to achieving successful investment returns. How to let investments work for you rather than against you. How to effectively analyze a company in a short period of time. How to find hidden gems among companies that are built to last. The timeless principle that underpins enduring business success. How to spot the warning signs hiding behind a company's success. How to predict a company's future success even when data is scarce. **Simplified**
