Close Your Tab & Don't Look Back Angela Ozar, 2018-02-09 If you were gifted debt along with your diploma and you are afraid of what comes after the best four years of your life this book is for you. I've been there and just like finals week I survived by repaying 30K in 3 years instead of 20. And you will too. Life after college doesn't have to be intimidating. Let me be your translator for the important stuff so you can enjoy the perks of your new life. I'll cut through the complicated so you can understand your government student loan and have a practical plan to pay it off quickly because no one wants to be celebrating their 40th birthday and still making payments on their loan. As a recent college grad this book became my survival guide. This entertaining read became my go to source while navigating the crazy world that awaits postgrad. Angela answered the questions I was afraid to ask and gave me advice before I even knew I would need it. She became the big sister I never had and instilled me with a sense of confidence in not only the way I manage my money but also in my future. Caitlin class of 2017

[The 3rd Greatest Book Ever Written](#) Dr. Brandon Day, 2025-05-10 Dr. Brandon Day takes us on his lifelong odyssey of hellish introspection and painstaking self discovery. He chronicles his battles with homelessness, addiction, bosses, teachers, cable companies, neighbors, his children, and his ex wife to answer the existential question that burns inside all of us: Am I the Asshole? NEW YORK TIMES. Brandon Day grew up in an abusive home. All through his childhood, his sadistic and overbearing parents tortured him by forcing him to perform all sorts of unthinkable acts such as brushing his teeth and doing his homework, and by the time he was ten years old he had already

become addicted to Nintendo He would spend hours upon hours in his bedroom playing games such as Mike Tyson's Punchout and The Legend of Zelda as a means to escape the suffering he endured at the hands of his cruel and merciless parents Without any real skills talent or drive Dr Brandon Day knew that if he wanted to become rich and famous that he would have to tell his story He would have to write a really self righteous memoir where he plays the victim and shits all over his friends and family complains about how hard his life is and then brags about how he overcame it all That would be his only way out of the insufferable torture of having hardly any followers on social media But upward mobility required crafting the perfect resilience narrative He had to prove to himself and the rest of the world that he was not just lazy and he was an overcomer made stronger by all the bullshit he had endured at the hands of not only his parents but other family members friends co workers teachers wives ex wives bosses neighbors and even his own children However the truth was more complicated After he graduated from college Dr Brandon's mom and dad kept breaking his balls about smoking too much pot and finding a fucking job already If only it were that easy Eventually his parents would kick him out of their house and even force him to pay for his own car insurance when he was just a young scared 26 years old little boy Dr Brandon learns to confront his own past filled with many secrets a marijuana stash he hid in his sock drawer all through high school phone calls from debt collectors who use strange numbers to try to trick him into picking up dozens of lost car keys and wallets he never found and sometimes even peeing in the kitchen sink when he is drunk All of which led to the unbecoming desperation of a 40 year old man forced to a reckoning with his own identity Although Dr Brandon would go on to graduate from college and become a high school guidance counselor he found that sweet ass summer vacations and a strong teacher's union didn't necessarily mean safety from judgment from the patriarchy or American meritocracy Both a chronicle of the American Dream and an indictment of it this searing debut memoir exposes the price we pay for the promise of a bright future Dr Brandon Day's story challenges our ideas of what it means to overcome and live life on our own terms even if those terms mean that you're kind of an asshole

Serious Grownup Sh*t Dr. Brandon Day ,2024-11-23 After a lifetime of bad decisions job after job excessive indulgence in drugs and booze a massive accumulation of debt and a couple of unwanted divorces none of which were his fault of course bestselling author and comedian Dr Brandon Day has lots to share with his readers But those listeners need to prepare for a bucket load of barely credible sometimes shocking experiences delivered with an earful of expletives a bottomless pit of clever analogies lots of self depreciation a good measure of sarcasm and lots of tongue in cheek humor Dr Brandon Day has elected to laugh at his messy life can be and he invites us to laugh along with him Though circumstances differ many of us will see ourselves in Dr Brandon He connects with us draws us in and leaves us thinking about the many issues political social and cultural that he addresses ever so subtly and sometimes like a brick over the head Are you ready for an outrageous often irreverent read Brace yourself I always hated being an adult I resented the idea of being so caught up in all of that silly grown up stuff like forgetting to pay my bills finding socks that matched and lying about

why I was late for work everyday that I lost sight of everything that ever made me happy as a child I gave up on popping wheelies I stopped ding dong ditching the crazy old cat lady who lived down the street I didn t even think spitballs or really loud farts were as funny as they used to be and I hadn t drawn a dick on a school desk or a bathroom stall in years Heck I couldn t even remember the last time I threw an underaged drinking party at my parent s house when they weren t home or when I had sex with a sixteen year old girl in the back seat of my mom s car By my 40th birthday I was completely broken and just a shell of that spry boy who left the loudest farts in the 5th grade It was sometime after I graduated college when I realized that I needed to find a fucking job and move the hell out so I could start paying my own goddamn bills already At least that s what my parents were always telling me What my parents didn t understand was that I was a Psychology major and we Psychology majors well we don t do stuff like get good jobs or move out of our parent s house With a shitty college major and not enough charm or good looks to enter the lucrative world of pharmaceutical sales like my mom and dad wanted me to it looked like I was destined to smoke pot all day and live with my parents forever But with a little luck and a lot of white privilege my life is finally on the right track I healed the damaged relationship with my father even though he could be a real dick sometimes I also awakened my inner child Now I am the same fun loving happy go lucky kid who used to masturbate five times a day and played with matches I have dental insurance an amicable divorce and two kids who aren t in therapy yet I am even back to drawing dicks on people s stuff at work again Let s just say my life turned out exactly as God had planned Hide Long Description *Performance Management* Herman Aguinis,2024-01-08 Formerly published by Chicago Business Press now published by Sage Performance Management Fifth Edition covers the design and implementation of effective and successful performance management systems the key tools that can be used to transform employee talent and motivation into a strategic business advantage Author Herman Aguinis focuses on research based findings and up to date applications that consider the changing nature of work and organizations
