Hockey Doc Dr David S Mulder, Dr Douglas G Kinnear, 2021-03-09 The Western Division of the Montreal General Hospital was so close to the Forum that Montreal Canadiens players could put on skate guards and walk to the hospital's emergency room. This was not a coincidence and established proximity as a priority. Dr Douglas Kinnear supported twelve Stanley Cup winning Montreal Canadiens squads as team physician. Dr David Mulder has been on the medical staff for over fifty years and for eight Stanley Cups. In *Hockey Doc*, these two legendary team physicians explore the dynamic doctor-player relationship they came to know so well with a look at more than fifty years of medical care provided to the hockey club. *Hockey Doc* examines how the medical program for the Montreal Canadiens has evolved over its history due to its long-standing relationship with the MGH and the Molson family. The doctors breakdown major injuries with real-life examples that every team physician needs to be aware of and share career highlights. Featuring stories about Saku Koivu, Trent McCleary, Patrick Roy, Maurice Richard, Gump Worsley, Bobby Orr, Lou Lamoriello, and journalist Red Fisher among countless others, *Hockey Doc* shares the inside jokes between doctor and player while providing a greater commentary on the evolution of sports medicine throughout two MGH doctors' careers. For hockey fans of all ages and the Quebec medical community, *Hockey Doc* shares the relationship between the injured professional athlete and the medical staff of a university medical centre and provides an inside look at the injuries and illnesses these doctors have faced over their storied careers. Routledge Handbook of Sport Communication Paul M. Pedersen, 2017-07-05 The *Routledge Handbook of Sport Communication* is the only book to offer a fully comprehensive and in-depth survey of the contemporary discipline of sport communication. It explores communication within, through, and for sport in all its theoretical, conceptual, cultural, behavioral, practical, and managerial aspects, tracing the contours of this expansive transdisciplinary and international discipline and demonstrating that there are few aspects of contemporary sport that don't rely on effective communications. Including contributions from leading sport media and communications scholars and professionals from around the world, the book examines emerging new and social media, traditional print, broadcast, and screen media, sociological themes in communication in sport, and management issues at every level, from the interpersonal to communication within and between sport organisations and global institutions. Taking stock of current research, new ideas, and key issues, this book is an essential reference for any advanced student, researcher, or practitioner with an interest in sport communication, sport business, sport management, sport marketing, communication theory, journalism, or media studies. **The Boston Globe Index**, 1996 *Hockey Sucks: Let's Fix It* Michael Munro, 2017-10-10 The game of hockey has drastically changed over the past two decades and not for the better. Gone are the days of goal scorers, stick handlers, tough guys, and passers. When they left, so did the excitement and the unexpected. Now it is a game played by drones in exactly the same fashion by every team. Former hockey reporter Michael Munro examines the impact manufactured hockey players are having on the National Hockey League and its feeder systems.

In this Western based critique Munro explains how the NHL ended up eliminating goal scorers and entertainers with a series of rule changes and management decisions And it is a discussion of how Canada lost its role as the dominant hockey nation and started developing only supporting players and not lead actors An honest and sometimes disturbing 250 page essay that is a must read for anyone who loves hockey and wants to see it become a global success **TV Guide** ,1999 **Brandweek** ,2008 **The 1995 Information Please Sports Almanac** Mike Meserole,1994-11 Widely recognized by sportswriters and fans as the most complete and accurate annual sports record this sixth edition promises to be the best volume yet Impeccably researched it features 64 additional pages and expanded sections on the Winter Olympics and World Cup soccer 275 photos and cartoons specially commissioned essays complete statistics thumb tabs and much more **Recruiter Journal** ,1998 **USA Today Index** ,1996 *IEG Sponsorship Sourcebook* ,2002 *The Sporting News* ,1986-10 *The Wall Street Journal* ,2005 **Index de Périodiques Canadiens** ,2002 **The World Almanac and Book of Facts 2003** Ken Park,World Almanac Education Group, Inc.,World Almanac Education Group, Inc.
