Read the short passage and answer the questions.

## The Dog and the Shadow

It happened that a Dog had got a piece of meat and was carrying it home in his mouth to eat it in peace. Now on his way home, he had to cross a plank lying across a running brook. As he crossed, he looked down and saw his own shadow reflected in the water beneath. Thinking it was another dog with another piece of meat, he made up his mind to have that also. So he made a snap at the shadow in the water, but as he opened his mouth the piece of meat fell out, dropped into the water and was never seen more.

 English as a foreign language means a great challenge which would certainly be answered by all English teachers in the  
 affirmative Today every school in Germany offers English as school subject even the primary schools Consequently it must be  
 put great emphasis on teaching it accurately by taking into consideration any aspect of English language acquisition when  
 learning it for example the acquisition of a distinctive vocabulary the ability to use grammar rules correctly the ability to spell  
 correctly the ability to understand what is been said when native speakers talk in English which we call listening  
 comprehension Another very important part of learning English as a foreign language is undisputedly reading comprehension  
 The ability to read out correctly to understand what is been read and to be able to work with a text effectively is not only a  
 competence that should be concentrated on in the foreign language but also in the mother tongue The PISA Study is a  
 perfect proof of this which will be mentioned later on In this paper I will try to accentuate the importance and significance of  
 reading in the English class In order to illustrate this I will introduce the novel A Thousand Splendid Suns by Khaled Hosseini  
 an American author and doctor with Afghan origins and use it for the elaboration of the importance of reading activities in  
 the English class Initially I will focus on the didactic analysis which includes the reference to the syllabus The syllabus is of  
 course the signpost in terms of guidelines when planning the lessons choosing age appropriate media and methods What role
