The ELL Teacher's Toolbox 2.0 Larry Ferlazzo, Katie Hull Sypnieski, 2025-01-24 Set your English language learners up for success with this effective resource. The ELL Teacher's Toolbox 2.0 is a valuable updated resource that teachers of English Language Learners (ELLs) can use to improve student outcomes. With hundreds of innovative strategies and activities to bring to your classroom, this book can be used with learners of all levels and in any instructional setting. This revised edition provides the latest enhancements to the instructional tools along with 16 new chapters that you can add to your teaching repertoire. New content includes coverage of artificial intelligence, online learning environments, and differentiated instruction. Graphics and visuals make it easy to understand and adapt the content to your unique teaching situation. Written by proven authors in the field, the book is divided into two main sections: Reading, Writing, and Speaking; Listening. Each of those sections includes Top Ten favorites and between 40 and 70 strategies that can be used as part of multiple lessons and across content areas. Contains 60% new strategies. Features ready-to-use lesson plans. Includes reproducible handouts. Offers technology integration ideas. For the growing number of ELLs in public schools, effective ELL instruction can mean the difference between long-term academic success and continued struggling. In this book, you'll find countless practical ideas to add to your teaching arsenal or for training and coaching ELL teachers so you can support your students on their journey.

ESG Certification Exam Study Guide Al Marcella, Madeline Parisi, 2025-11-26 ESG impacts businesses globally and today it is interconnected with all aspects of business including but not limited to human resources, labor issues, risk management, regulatory compliance, establishing strategic direction, and areas impacted by climate change. Certifications currently available in the marketplace are sustainability specific rather than an all-encompassing, holistic approach. The authors have developed the most comprehensive ESG certification program on the market. This two-tiered program is designed for professionals who possess a general understanding of ESG principles and concepts but desire to increase solidify and demonstrate that knowledge and understanding. This Study Guide will assist candidates with the overall Certification program process from initial application to study materials and sample questions. This Guide is designed to prepare the candidate to take the ESGCertificationTM examination.

Journal of Structural Learning, 1989 *Paving the Way in Reading and Writing* Larry Lewin, 2003-04-07 Definition of Topic Middle and high school teachers note that all too many adolescent students are less than proficient in reading and writing the twin pillars of literacy. Teaching such students to meet today's tougher educational standards can be a challenge. Emphasizing the important connections between comprehension, communication and learning this book offers teachers in all content areas a structured approach for enabling students to strengthen their reading and writing competency and thus boast their potential for academic success. Drawing on the author's extensive experience as a teacher and teacher trainer as well as on relevant theory and research the book presents an arsenal of instructional strategies aimed at improving comprehension and written expression in all types of students. The approach is motivational as well as practical and features extensive tools and techniques for helping students overcome their reading and writing fears, persist in their practice, build on their success and finally to share what they've learned. The book features many dozens of teacher tested activities, lessons and exercises that can be adapted in any classroom and is abundantly illustrated with examples of student work. Lessons involving literary as well as informational texts are included as are visualization and interpretive exercises aimed at appealing to the less verbally oriented students. The book also provides extensive guidance and tools for helping students improve their vocabulary, grammar, spelling and other language skills as well as their ability to conduct research and access
