Reading Comprehension

## Pre-reading Questions

Discuss the following questions with a partner.

1. What smart devices do you know about?
2. Do you have any smart devices at home? What do they do?
3. What are some advantages of smart homes?
4. Do you think smart devices can bring us danger? Is there a problem?

These days, smart devices are everywhere in our homes. They can turn on lights, play music, answer questions and help to keep us safe. But are they always a good thing? We asked teens around the world what they think about having smart tech in their homes. Here's what they had to say.

## ADAM, 15 (France)

I think smart devices are cool because they make life easier. You can turn on lights or play music just by speaking. This is very helpful when you are busy or tired. But I also feel worried about privacy. These devices are always listening, and maybe they hear things we don't want to share. What if someone can use that information? I don't know where my data goes. It's a little scary. I think smart homes are great, but we need better control over what is recorded and who can use it.

## Smart Devices at Home: Helpful or Harmful?

and I want to know what I can do and I don't have a lot of time. I don't want my phone to be a problem. I want to be able to get it. So, smart devices are helpful.

and a machine to help me. I don't want to be a problem. I want to be able to get it. So, smart devices are helpful.

## Smart Devices at Home: Helpful or Harmful?

My friends are also worried about their privacy. We all need to be safe. I think we have enough digital stuff in a lot of ways.
