Wolfe,2024-10-28 He s the man that tried to kill me But now he s back and this time he wants my love Cory I ran away from home when the son of the pack Alpha tried to have me killed After one night in one another s arms I find myself chased halfway across the state and nearly murdered in the process But I made it to Shifter Grove alive and I built a new life for myself And I m content to never think of it again But when I find a half dead wolf on the side of the road I can t help but take him in Although I didn t recognize him at first I quickly realized he s the son of the Alpha And he still thinks I m his mate The rejection was easy and I sent him away So why won t my heart listen to me Why do I want this man so badly when I know I can never trust him Liam I never tried to have Cory killed I know he doesn t believe me but that s the truth When I told my father that I d found my mate and he was male all hell broke loose After that moment Cory was out of my life seemingly forever But I got away It took me two years but I did it When I finally wandered into Shifter Grove at last I was nearly starved to death And who should find me but Cory He doesn t recognize me at first but the truth always finds a way of working its way to the surface How do I convince the man of my dreams that I would never hurt him when he won t even talk to me Tropes standalone second chance fated mate rejected mate small town soft boys alpha bottom alpha wolf found family strict roles and HEA Hexmate Blake R Wolfe,2025-10-02 A witch without power A werewolf with everything to lose A forbidden love that will change it all Atlas Being a werewolf and the star of the wrestling team means my life is all about control control on the mat control under the full moon and control over my emotions I ve spent years perfecting it But then I met Caden and all that control started to slip He s a witch without magic or so everyone says but there s something about him that draws me in He s got this quiet intensity a spark that feels more powerful than any spell I ve ever seen But in a place like Widderhins Academy where bloodlines and magical purism rule witches and werewolves are not supposed to mix The rules are clear and breaking them could cost me everything my pack my title and even my future Yet every time Caden looks at me every time he brushes against me it feels like the world shifts and suddenly those rules don t seem so unbreakable I can feel his soul calling to mine and when I finally get up the nerve to kiss him I know I won t be able to stop Caden I ve spent my whole life feeling like a failure Born into a legacy of pureblood witches I should have been powerful but my magic never came In a world where worth is measured by power I ve always been on the outside trying to blend in and failing miserably And then there s Atlas

He's everything I'm not strong confident and untouchable But somehow he sees me really sees me in a way no one else ever has When he's near it's like I'm more than just a powerless witch But I know better than to hope He's a werewolf an alpha and everything about our world is designed to keep us apart When a cruel prank leaves me stranded in the woods during a deadly snowstorm it's Atlas who finds me He saves my life his wolf instincts guiding him through the snow but the storm traps us together in an abandoned cabin There's no escaping the truths we've been avoiding and as the fire crackles we give into the instincts we've been denying for too long In those intimate moments I see the vulnerability he tries to hide and for the first time I believe I might be someone he truly needs But the storm is only the beginning When a magical attack threatens Widdershins Academy we're thrust into a battle bigger than either of us As purists tighten their grip on our world we're faced with an impossible choice defy the rules that divide us and risk everything for the love we've found or let the system win and tear us apart before we've even had a chance Hexmate is a heart pounding magical sweet and spicy romance filled with forbidden love sizzling chemistry and the courage to challenge a world built on division Set against the enchanting backdrop of Widdershins Academy Caden and Atlas's story is a spellbinding tale of resilience redemption and the power of love to rewrite destiny
