State Standards

High  
School

Algebraic Expressions, Writing Equations, Solving Inequalities, Functions, Arithmetic Sequences, Systems of Equations, and more!

## ALGEBRAIC EXPRESSIONS & PROPERTIES

ANSWER

A variable is a symbol that is used to represent an unknown quantity. An algebraic expression is a mathematical expression that contains one or more variables, one or more numbers, and one or more arithmetic operations.

EX1:

$$\begin{aligned}3 &= 3 \\4x &= 2x + 7 \\3x^2 &+ 7x = 1\end{aligned}$$

### Order of Operations

The order of operations is a set of rules that determine which operations to perform first when evaluating a numerical expression.

1. Evaluate within grouping symbols.
2. Evaluate all powers.
3. Multiply and divide from left to right.
4. Add and subtract from left to right.

### Properties of Real Numbers

For real numbers  $a$ ,  $b$ , and  $c$ , the following properties are true.

Properties	Expression
Commutative Property of Addition	$a + b = b + a$
Commutative Property of Multiplication	$a \cdot b = b \cdot a$
Associative Property of Addition	$(a + b) + c = a + (b + c)$
Associative Property of Multiplication	$(a \cdot b) \cdot c = a \cdot (b \cdot c)$

Distributive Property  
Additive Identity Property  
Additive Inverse Property  
Multiplicative Inverse Property

$$\begin{aligned}a + (b + c) &= a + b + a + c \\a + 0 &= a \\a + (-a) &= 0 \\a \cdot \left(\frac{1}{a}\right) &= 1, a \neq 0 \\a \cdot 0 &= 0\end{aligned}$$

### Multiplicative Property of Zero

### Parts of an Expression

A term is a number, variable, or the product of numbers and variables in an expression. Like terms are terms that have the same variables raised to the same powers. Two quantities that are being manipulated in an expression are called factors. The coefficient of a term is the numerical factor of the term. A term that consists of a number and no variables is called a constant.

## REASONING WITH QUANTITIES

ANSWER

The units of a quantity can help you understand and solve multi-step problems.

### Dimensional Analysis

Dimensional analysis is the process of using conversion factors to change from one set of units to another set of units.

EX1: Jamie jogged 495 feet in 45 seconds. What was her speed in miles per hour?

Write the given information as a ratio. Then use appropriate conversion factors to change units.

$$\begin{aligned}\frac{495 \text{ ft}}{45 \text{ s}} &= \frac{1 \text{ mi}}{5280 \text{ ft}} = \frac{1 \text{ mi}}{480 \text{ s}} && \text{Convert from feet to miles.} \\ \frac{1 \text{ mi}}{480 \text{ s}} &= \frac{60 \text{ mi}}{1 \text{ min}} = \frac{1 \text{ mi}}{8 \text{ min}} && \text{Convert from minutes to hours.}\end{aligned}$$

$$\frac{1 \text{ mi}}{8 \text{ min}} = \frac{60 \text{ mi}}{1 \text{ hr}} = \frac{7.5 \text{ mi}}{1 \text{ hr}}$$

Convert from minutes to hours.

Jamie's speed was 7.5 miles per hour.

### Modeling with Appropriate Units

When modeling with quantities, it is important to choose appropriate units.

EX1: Suppose a tourist buys a map of Florida while on vacation. What might the scale of the map be? What units would represent the actual distance between cities?

The map is a small-scale drawing of the state. Distances on the map will be very small compared to the actual distances between cities. A scale for the map might be 1 cm = 250 km or 2 in. = 175 mi. The distances between the actual cities would be measured in miles or kilometers.

### Accuracy & Precision

Accuracy describes how close a measured value is to the actual value.

EX1: Thomas is 5 feet 10.25 inches tall. A measurement of 5 feet 10 inches is more accurate than a measurement of 6 feet when describing his height.

Precision describes the exactness of a measurement and is dependent on the unit of measure. The precision unit is the smallest unit on the tool being used to measure. As the units of measurement get smaller, the measurement goes more precise.

EX1: A ruler that measures in millimeters is more precise than a ruler that measures in centimeters.

EX1: For a scale that gives weight in pounds and ounces, the precision unit is ounces.

## WRITING EQUATIONS

ANSWER

An equation is a number sentence that states that two quantities are equal to each other. The verbal expressions *equally*, *is*, *is equal to*, and *is the same as* indicate an equation.

### Verbal Expressions

The sum of a number and 5 is equal to 12.

Frank separated his DVDs into 4 equal stacks of 15 each.

### Equations

$$a + 5 = 12$$

$$a = 4 \cdot 15$$

### Modeling with Equations

Equations can be used to model real-world situations and solve problems.

EX1: Raggie's little sister is 3 years younger than him. The sum of their ages is 27 years. How old is Raggie?

- Define a variable.
- Let  $a$  represent Raggie's age.
- Translate the verbal description into an equation.

Raggie's age:  $a$

Raggie's sister's age:  $a - 3$

Sum of their ages:  $a + (a - 3)$

Because the sum of their ages is 27 years, the equation  $a + (a - 3) = 27$  models the situation.

You can verify that the solution to the equation is  $a = 15$ . So, Raggie is 15 years old. In the next section, you will learn several methods for solving equations.

## SOLVING EQUATIONS

ANSWER

You can use the following properties of equality to solve equations.

- **Addition Property of Equality:** If you add the same number to both sides of an equation, the two sides remain equal.
- **Subtraction Property of Equality:** If you subtract the same number from both sides of an equation, the two sides remain equal.
- **Multiplication Property of Equality:** If you multiply both sides of an equation by the same number, the two sides remain equal.
- **Division Property of Equality:** If you divide both sides of an equation by the same nonzero number, the two sides remain equal.

### Solving Multi-step Equations

Equations that have multiple operations and more complicated expressions are called multi-step equations. To solve these types of equations, simplify both sides as much as you can and use the properties you have learned to undo the operations.

EX1: A coin-operated car wash costs \$1.75 plus \$0.50 per minute of use. Shawna spent \$27.75 using the car wash. Solve the equation  $1.75 + 0.5x = 27.75$  to find the number of minutes,  $x$ , that she used the car wash.

$$\begin{aligned}1.75 + 0.5x &= 27.75 \\1.75 - 1.75 + 0.5x &= 27.75 - 1.75 \\0.5x &= 26 \\2(0.5x) &= 2(26) \\x &= 12\end{aligned}$$

Shawna used the car wash for 12 minutes.

Original equation

Subtract 1.75

from each side

Simplify

Multiply each

side by 2

Simplify

**Math Practice 3:**  
Construct viable arguments and critique the reasoning of others.

Each time you apply a property of real numbers or a property of equality to transform an equation, you can justify that both sides of the equation are still equal. As you solve equations, think about which property allows you to transform it into an equivalent form.

# Study Guide Workbooks Math

**Glencoe/McGraw-Hill**

## **Study Guide Workbooks Math:**

*HSC Mathematics Revision & Exam Workbook* Lyn Baker, 2004 This book has been specifically designed to help Year 12 students to roughly revise all topics in the HSC Mathematics course and prepare for class assessments trial HSC and HSC exams. Together with the Year 11 Preliminary Revision Exam Workbook the whole senior Mathematics course is covered. The book includes topics covering the complete HSC Mathematics course 200 pages of practice exercises with topic tests for all chapters cross references to relevant pages in the HSC Mathematics study guide topic tests for all chapters two sample examination papers answers to all questions

## **Praxis Core Math 5733 Study Guide Updated Edition Exam**

Sam, 2021-06-14 Exam SAM's Praxis Core Math 5733 Study Guide Updated Edition Mathematics Workbook and Practice Test Questions Academic Skills for Educators helps you learn the methods and formulas that you need to answer all of the types of questions on the Praxis Core Math Test. The book is the up to date 5733 version of the first edition of our highly rated Praxis Core Math book entitled Praxis Core Math Study Guide with Mathematics Workbook and Practice Tests Academic Skills for Educators. Unlike other Praxis Core math study guides for sale on Amazon our book covers the exact skills you need for the 5733 version of the Praxis Core Math Test. Why waste your time studying skills and formulas that you don't need for the test. The practice tests in our book have been designed with feedback from actual Praxis Core test takers so the questions genuinely simulate those you will see on the actual day of your test. Praxis Core Math Practice Test 1 is in study guide format with exam tips formulas explanations and solutions after each question. You can refer back to the formulas and explanations in the first section of the study guide as you complete the remaining practice tests in the book. The practice tests cover the same skill areas as the actual Praxis Core Math 5733 exam so each practice test has 56 questions as follows 20 number and quantity questions 18 data interpretation and representation statistics and probability and 18 algebra and geometry questions.

Get a step ahead in your Praxis Core Math 5733 preparation with this great book

## **Common Core Math Grade**

**3 Workbook** Test Prep Books, 2018-10-08 Test Prep Books' Common Core Math Grade 3 Grade 3 Workbook Common Core 3rd Grade Math Workbook Practice Test Questions Developed by Test Prep Books for test takers trying to achieve a passing score on the Common Core Math Grade 3 exam this comprehensive study guide includes Quick Overview Test Taking Strategies Introduction Operations and Algebraic Thinking Number and Operations in Base Ten Number and Operations Fractions Measurement and Data Geometry Each section of the test has a comprehensive review created by Test Prep Books that goes into detail to cover all of the content likely to cover 3rd Grade Common Core standards The Test Prep Books' Common Core Math 3rd Grade practice test questions are each followed by detailed answer explanations If you miss a question it's important that you are able to understand the nature of your mistake and how to avoid making it again in the future The answer explanations will help you to learn from your mistakes and overcome them Understanding the latest test taking strategies is essential to preparing you for what you will expect on the exam A test taker has to not only understand

the material that is being covered on the test but also must be familiar with the strategies that are necessary to properly utilize the time provided and get through the test without making any avoidable errors Test Prep Books has drilled down the top test taking tips for you to know Anyone planning to take this exam should take advantage of the Common Core Math Grade 3 review material practice test questions and test taking strategies contained in this Test Prep Books study guide

**Year 7 Mathematics Revision & Exam Workbook 2 - Extension** A. S. Kalra,2002 This book is suitable for students studying Year 7 Mathematics who want to extend their abilities The book has been specifically designed to help students revise the harder topics in the Year 7 course and prepare for success in all their class tests half yearly and yearly exams In **Excel Mathematics Revision Exam Workbook 2 Year 7** you will find extension topics covering the complete Year 7 course based on the new Mathematics syllabus over 100 pages of practice exercises topic tests and practice exams answers to all questions Also available is **Mathematics Revision Exam Workbook 1 Year 7** Author A S Kalra *Practice Makes Perfect Basic Math Review and Workbook, Second Edition* Carolyn Wheater,2019-01-07 This all in one study guide delivers all the review and practice you need to master math basics Whether you're starting from scratch or refreshing your math skills this accessible guide will help you develop a better understanding of math Offering concise coverage of all math basics the book is packed with clear easy to grasp review material Hundreds of practice exercises increase your grasp of math concepts and help you retain what you have learned The book features New lessons on transformations and an expanded look at fractions and decimals Concise review material that clearly explains math fundamentals Hundreds of practice exercises to build your problem solving confidence

## **Study Guide Workbooks Math Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Study Guide Workbooks Math has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Study Guide Workbooks Math has opened up a world of possibilities. Downloading Study Guide Workbooks Math provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go.

Moreover, the cost-effective nature of downloading Study Guide Workbooks Math has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Study Guide Workbooks Math. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Study Guide Workbooks Math. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Study Guide Workbooks Math, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Study Guide Workbooks Math has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility

it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

## **FAQs About Study Guide Workbooks Math Books**

1. Where can I buy Study Guide Workbooks Math books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Study Guide Workbooks Math book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Study Guide Workbooks Math books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Study Guide Workbooks Math audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media

or recommend them to friends.

9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Study Guide Workbooks Math books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
