The Manuscript Murders:

The Manuscript Murders Harley Lewis, 1987 **The Manuscript Murders** Roy Harley Lewis, 1981-01-01 *Murder in the Manuscript Room* Con Lehane, 2017-11-21

The second in Con Lehane's 42nd Street Library mystery series *Murder in the Manuscript Room* is a smart compelling mystery in which the characters themselves are at least as interesting as the striking sleuthing. Not to be missed. Megan Abbott: A story utterly relevant to the real life horror story unfolding in America's immigration politics. Sara Paretsky: When a murder desecrates the somber book lined halls of New York City's iconic 42nd Street Library, Raymond Ambler, the library's curator of crime fiction, has a personal interest in solving the crime. His quest to solve the murder is complicated by personal entanglements involving his friend or perhaps more than friend Adele Morgan. Not only does Adele's relationship with the young woman staffer who was murdered get in the way of Ambler's investigation, more disturbing for him is Adele's growing interest in a darkly handsome Islamic scholar. Soon the Intelligence Division of the New York Police Department takes over the case from NYPD homicide detective Mike Cosgrove. Ambler's friend and sometimes partner in crime solving, Ambler suspects that the murder of the young woman who'd been working at the library under an assumed name and the curious intervention of NYPD's intelligence division are connected. The trail of intrigue leads to a seemingly unrelated murder in an upstate prison and a long ago murder of a trade union reformer. No one else sees the connections Ambler is sure are there, not an unusual state of affairs for Ambler. But with the city's law enforcement establishment determined to stop his investigation, the inquisitive and intrepid librarian faces challenges that may put his very life at risk.

The Murder Manuscript Raymond Semlow, 2005-07

Albert Whitmore is the family failure, the youngest child in a wealthy publishing family. Albert is handsome, well educated, wealthy due to a trust, and without self confidence. He has many skills and resources available to him from his days as a reporter among those available to the wealthy. He lacks motivation. Inspector Harry Fitzgerald is a skilled homicide detective without political connections within the department. He is married to the daughter of a wealthy New England industrialist and is not highly regarded by his father-in-law who continually interferes in the relations within Harry's family. Harry's wife is pregnant, expecting their third child, and is having a difficult pregnancy. This interference and the pregnancy have brought their marriage to the brink of disaster. The vulnerable Inspector Fitzgerald has suddenly become the object of interest of his sister-in-law, Brigitte. When Albert's sister announces her publishing company is expanding to include the more popular fiction market, Albert senses his chance to finally be published. He submits his latest novel under a pen name. Weeks later he receives a vile rejection letter. Albert suddenly has the motivation his life lacked. He will show her, he will show them all. He will prove the premise of his manuscript by enacting it. It will become his plan for bringing terror to the city, and the editor will be the first victim dictated by his manuscript. His murder manuscript.
