The Mystery Of Christ:

The Mystery of Jesus Christ Fernando Ocariz Braña, Fernando Ocariz, Lucas F. Mateo Seco, José Antonio Riestra, 1994
Written chiefly for theology students the book presents the authentic teachings of Catholic faith to be found not only in the ancient conciliar sources but also in important recent documents dealing with disputed issues of our times Chapters deal with The hoped for Saviour The Coming of Jesus Christ in the fullness of time The Person of Christ Christ the Way the Truth and the Life Redemption *The Mystery of God and the Mystery of Christ* Witness Lee, 2003-02 **The Mystery of Christ** Shay A. Meckenstock, 2007 Two kingdoms are in conflict the power of evil and the kingdom of God The Lord s Church has been given a message of authority and power the gospel of the kingdom of God to take to the world With this message the Church overcomes the rule of Satan and establishes the righteousness of God She is not alone her companion the Holy Spirit flows through her as a river to bring life out of death demonstrating the gospel in power The river of life flows from the throne room of heaven according to God s eternal secret the mystery of Christ At the counsel of the Trinity thousands of years ago an eternal plan was established to put forth the image and likeness of God upon the earth The chosen vessel mankind would be indwelt by the resurrected Christ the Son of the living God thereby manifesting the glory of God before the whole earth His reign in heaven is now manifested on earth through His Body the Church For this reason you have been redeemed that God may live in you Study Guide Included for Each Chapter **The Mystery of Jesus Dom** Louismet, 2013-03-16 The treatise is divided into three distinct parts thus 1 Preliminaries 2 The amazing human life of Christ on earth 3 Mighty sequels in time and eternity to the human life of Christ on earth Mysteries both natural and supernatural surround us press us and penetrate us on all sides We are simply steeped in mysteries We are to our very selves and each one of the brethren is to us a mystery or rather a sheaf of mysteries The material universe we are in is an enormous congeries of mysteries in the inscrutable depths of the firmament in the atmosphere which envelops our planet above and beneath the surface of the earth in the oceans are found mysteries upon mysteries and mysteries within mysteries Indeed when we meditate on these truths we realize just how awesome God really is Let us consider the outline of the contemplation of this work I N the great mystery of Jesus we can consider three distinct sets of mysteries namely 1 The mysteries of His sacred Flesh and Blood 2 Those of His blessed human soul and 3 Those of His pure Godhead It is the contemplation of the sacred humanity of Our Lord that is to say of His human body and soul which will engross our attention in these pages And let us return WHOSOEVER pays loving reverence to the person of our Lord Jesus Christ the Word made flesh pays also loving reverence to His most Sacred Heart It does not matter whether he realizes this or not or actually think of it or not This consideration is very sweet and comforting It shows that the devotion to the Sacred Heart has been at least implicitly practised by the Church and all her children from the very beginning Even heretics when pious and in good faith as is the case with a certain number of them practise this devotion in spite of themselves and at the very time that they are

condemning it in the Catholic Church Indeed the Worship of the Sacred Heart is most appropriate for these times God loves us and the Sacred Heart is a great demonstration of this love He devotes a chapter to other works on our Lord Jesus Christ The order I follow is this beginning with contemporary books on Our Lord I work my way up through the centuries to the very first where we reach at last the bedrock foundation of the four Gospels and the rest of the Scriptures I could not use the word Christology in this connection because it is too learned a word for many of my readers and also because the words at the head of this chapter allow of a larger scope in the choice of books to be recommended The second part of this work explores the amazing life of Jesus Christ Let us consider Jesus at four years old a bit At the age of four the Child Jesus was growing wholly gracious Still small enough to be taken up and carried in arms an action which Mary and Joseph would do with unspeakable rapture yet big enough to walk alone and to make much happy stir in the house and round about it The Child Jesus began to smile to laugh and prattle and to enter upon an innocent and happy life like other dear little children of that age I cannot imagine the Child Jesus frowning No doubt from time to time His sweet Mother and His foster father had suddenly come upon Him and found Him rapt in a state of prayer infinitely beyond His age but as a rule His appearance and conduct were those of the most beautiful perfect natural and loving little child that ever existed *The Mystery of Christ and the Church ... a Sermon [on Eph. V. 32], Etc* John William GOWRING, 1838

The Mystery of Jesus Christ Revealed Mark Moonsamy, 2013-08-15 In September 1997 Mark Moonsamy had a supernatural experience in which Jesus appeared to him in a vision Mark was transformed in the spirit and drawn into the body of Jesus Christ where he received a powerful message from God This message remained hidden in him for almost 14 years until the Holy Spirit began revealing the mystery of Jesus Christ confirming this amazing revelation through the Word of God God wants the present day church to come to the full understanding of who we are in Christ as we anticipate a great move of God upon the earth Mark has been commissioned to deliver this message to the body of Jesus Christ and to prepare the saints of God for the remarkable supernatural awakening that has already begun

The Mystery Dwayne Norman, Richard E. Mallette, 2014-03-03 Most people like a good mystery as long as it is understandable and they know how it ends According to the Bible there was a time when God's mystery his plan for man in Jesus Christ was not revealed There was a time when this mystery was truly a mystery That time has come to an end Let us rejoice that our redemption is complete in Christ Now is the light and knowledge of the mystery of the gospel of Jesus Christ made manifest to the people of God This book is about the mystery of God which is centered in our identification with Christ Within the pages of this book get ready to embark on a wonderful journey from the crucifixion of Christ unto the ascension of Christ at the Father's right hand The vehicle that will provide our transportation is called in Him Romans 16:25-26 says Now to him that is of power to establish you according to my gospel and the preaching of Jesus Christ according to the revelation of the mystery which was kept secret since the world began but now is made manifest and by the Scriptures of the prophets according to the

commandment of the everlasting God made known to all The Apostle Paul gives us more light in Colossians 1 25 27 Whereof I was made a minister according to the dispensation of God which is given to me for you to fulfill the word of God even the mystery which hath been hid from ages and from generations but now is made manifest to his saints to whom God would make known what is the riches of this mystery among the Gentiles which is Christ in you the hope of glory This book is about the riches of the glory of the mystery of Christ the Anointed One and His Anointing in you and all that the Lord Jesus did for you from the cross to the throne The revelation of the word or mystery of God gave us a solid foundation upon which to establish our lives Jesus Christ being the Rock and foundation that the church is built upon We later learned that a correct and firm foundation in Christ can sustain and empower a believer to triumph over all the storms of life When the Spirit of God began to reveal in us this mystery of Christ and all that He did for us at Calvary it transformed our lives It changed our way of believing It changed our way of thinking It changed our way of speaking And it changed our way of living So get ready to be revolutionized changed and transformed forever for the glory of God the father and His son Jesus Christ

The Mystery of Christ . . . and Why We Don't Get It Robert Farrar Capon,1993-10-19 Widely recognized as a creative insightful writer Robert Farrar Capon offers still more of his uniquely provocative fare in *The Mystery of Christ and Why We Don't Get It* This engaging book probes the meaning of salvation peace forgiveness grace reconciliation spoken of in the New Testament as a mystery Reminding his readers sometimes in startling ways that salvation is a gift rather than a transaction Capon uses a variety of dialogues to drive home the truth that there is therefore now no condemnation for those who are in Christ Jesus Along the way he explores guilt forgiveness love anger romance grief spiritual contentment the Incarnation reincarnation resurrection and more and manages to make salvation something fresh and new in the process

The Mystery of Christ Eagle Kim,2022-09-27 The Bible guarantees that God will not only listen to our prayers but will give us a blessed life However in life we experience many adversities such as accidents cancer losing jobs and global pandemics Why must we suffer even if we trust in our loving God and believe in Him When misfortunes fall upon believers why doesn't God protect His children This comes from a misinterpretation of faith This book explains what biblical faith looks like and how it works in our daily lives All your problems can turn into solutions you can prevent disasters and live a glorious

life just as the Lord promises in the Bible How can we live like this The answer lies ahead Your life can change *The Great Mystery of the Second Coming* Gail Anne Carroll,2016-11-14 Father M Joachim Tierney O C S O instilled in the author his desire to discover the mystery of the visions and revelations of the Lord that St Paul was shown when he was caught up into the third Heaven paradise as seen in 2 Corinthians 12 1 7 What they uncovered in their quest for this hidden knowledge is that St Paul was shown the great mystery of Christ s Second Coming And that this extraordinary mystery now being revealed is St Paul s Gospel yet to be preached by the Church St Paul writes Now to him that is able to establish you according to my gospel and the preaching of Jesus Christ according to the revelation of the mystery which was kept secret from eternity which now is made manifest by the scriptures of the prophets Romans 16 25 26 This secret mystery the preaching of Jesus Christ according to St Paul s gospel is woven throughout St Paul s letters In fact the word mystery is seen eighteen times in his epistles whereas in the gospels of Matthew Mark Luke and John the word mystery can be found just once or not at all depending on which version of the Bible This great mystery veiled in his letters is what has made them until now difficult to understand A key was needed to unlock this powerful gift of knowledge In his letter to the Colossians 4 3 6 St Paul requests prayers that a door of speech to speak the mystery of Christ be opened by God The key opening the door to the preaching of this glorious mystery of Christ is now being manifested in this prophetic unveiling of Sacred Scripture **The Mystery of Jesus Christ** Andrew Mnzava,2021-03-16 Who is this Jesus Christ For by Him were all things created that are in heaven and in earth visible and invisible Whether they be thrones or dominions or principalities or powers all things were created by Him and for Him He is before all things and by Him all things consist Learn about who Jesus is from dateless past to dateless future as described in the Bible **The Mystery of Christ** John Behr,2006 By returning to the methodology of the early Church Fr John Behr a renowned patristics scholar invites readers to approach the mystery of Christ in the same way that the first disciples of Jesus Christ learned theology His vision of Christian theology written in a systematic manner offers a way out of the problems that have beset theology and scriptural study in recent centuries BOOK JACKET *The Mystery of Jesus Christ* F. Ocariz,1994 **The Mystery of Christ** Keith Ward,2018-03-15 Keith Ward makes complex matters readily accessible Rowan Williams At the heart of Christian faith lies a vision of Christ present at the beginning of creation in the crucified and risen Jesus and at the end of all things This vision retains its ancient power and gains new depth as it is reshaped in the light of our advanced understanding of a vast and evolving cosmos To help us form a truly contemporary Christian spirituality Keith Ward writing in our own time and place rather than the fourteenth century of Julian of Norwich or the twentieth of Thomas Merton offers a set of reflections on what he believes to be the unique and life transforming revelation of God in the person of Jesus Christ And as we explore the spiritual truths relating to this mystery expressed in the Gospels meditation leads naturally to prayer **The Mystery of Christ the Bible Decoded by Neville Goddard** Neville Goddard,ALIO Publishing Group,2023-12-16 12 lectures 12 wisdoms 12 revelations Welcome to the great unveiling of the

Neville is well known as one of the most influential teachers of the Law of Assumption where one assumes the thing desired in order to bring it about in reality, a predecessor to the Law of Attraction. What's not so well known is his status as a metaphysical teacher of biblical principles scripture. Goddard frequently hosted community gatherings where he shared his knowledge of The Holy Bible, The Word, God, and Jesus Christ. Sometimes controversial and always impactful, Neville pulled no punches in his candid messages with the intention to inspire every woman and man to seek their own self liberation and find Christ from within. Everyone has the same power. Because one has millions does not make him any more a creator than you are. With this collection of teachings rarely has so much wisdom been rendered this raw and accessible. As one of our greatest modern teachers concerning matters of God, self, and spirituality, Neville reigns as a shining pioneer of manifestation, LOA, and law of assumption. His words have been preserved here for the deep benefit of all who will receive them.
