## **The Many Faces Of Mary A Love Story:**

The Many Faces of Mary Bob Lord, Penny Lord, 1987-07-01 Bob and Penny Lord write about the apparitions of Mary contending that each of them has significance for larger numbers than the fortunate few to whom she has appeared **The Many Faces of Mary** Bob Lord, Penny Lord, 1993 **Those Who Saw Her** Catherine M. Odell, 2023-10-19 For almost the entire history of the Church the Blessed Virgin Mary has been returning to the world she left nearly two millennia ago In this revised and expanded fourth edition *Those Who Saw Her* shares the latest developments updates and Church teachings on the apparitions of Mary This book details the most famous approved apparitions at Guadalupe Rue de Bac La Salette Lourdes Pontmain Knock and Fatima as well as the fascinating but lesser known appearances at Akita Japan Kibeho Rwanda San Nicolas Argentina Betania Venezuela and Champion Wisconsin Let Mary's prophetic messages bring comfort and hope to your life in this thorough and compelling presentation of the extraordinary visits of the Blessed Mother to her children around the world **Visions of the Virgin Mary** Courtney Roberts, 2004 Astrological analysis of the appearances of Mary

*I Prayed You Into Life* Lindsay Campbell, 2004-04 *I Prayed You Into Life* is an insight into a young woman's quest to find true love first with Christ and then with a future spouse Follow her journey which began from spiritual growth and dedication to only be wed to the man God has created for her to marry What started as a blind date became the most prayerful love story between two people striving to live their lives in accord to God's will for them Although separated because of the young man's military obligations their love persevered through letters and more importantly through prayer and careful discernment They were separated in the physical sense but the centrality of their relationship was ever present in their hearts All are invited to their wedding adventures sacrifices heartaches and sorrows which are inevitable to all young married couples Yet they believe through their many adversities Christ is ever present in the fairytale He lovingly bestowed upon them a fairytale unlike any found in children's books *Be Not Afraid to Follow the Footprints from Heaven* John Carpenter, 2016-07-21 Does God really exist Is there really any evidence for that Can science prove that the Communion wine and bread actually turn into the flesh and blood of Jesus Christ Does the Shroud of Turin validate the mystical resurrection of Christ through careful expert scrutiny How can statues weep real human tears How can the bodies of deceased holy persons not decay for centuries What are angels and what roles do they play Want to hear how Heaven and Hell are described And historically hundreds of people worldwide have documented appearances by the Virgin Mary This just cannot be real or is it Psychiatric therapist John Carpenter takes you where few researchers have gone before Like a logical detective amassing the supernatural evidence for your consideration he presents historical accounts and miraculous events along with recent medical and scientific research to develop a credible and stunning conclusion His evidence may bring you to a refreshing new spiritual awareness at a time when doubt distraction materialism violence and self indulgence seem prevalent The implications are both joyful and chilling as Carpenter slowly seduces the reader into following him through the labyrinth of

divine mysteries created by those footprints from heaven Be not afraid to take this journey and discover the Truth that could change your life      **Mary Magdalene, Shaman** Sara Taft,2014-01-02 This book is the story of a physical ordeal a liver transplant which was also a profound spiritual transformation By welcoming information from unusual sourcesincluding dreams visions and synchronistic eventsand deepening all of this into a coherent whole through the study of psychology astrology and art Sara awakened to the realization that spirit infuses matter Sara sought out the many faces of the sacred feminine going beyond her traditional Christian upbringing and marking herself as a heretic What no one could have predicted is that Saras journey beyond Christianitya journey that took her to the remote Australian outback a sweat lodge in an Arizona desert soaring cathedrals in the south of France and a sterile operating room at Cedars Sinai Medical Center in Los Angeleswould return her to a home she never knew As she listened for the first time to the stories she had never been told she would meet Mary Magdalene as a shaman and understand her undying devotion to her beloved Jesus It was through the Magdalene that Sara fully realized His promise that the kingdom of heaven is within Mary Magdalene knew this in every cell of her being and this knowledge is her gift to Sara This book beautifully illustrated with Saras own paintings offers a hopeful message to those facing life threatening illness and traumatic loss and shows how physical ordeal is a spiritual opportunity It speaks to heartbroken Christians who like Sara can find fresh inspiration in the original teachings of Jesus
