Keel's The Mothman Prophecies** Everest Media, 2022-07-25T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 In 1967 a stranger appeared in the back hills of West Virginia He was dressed entirely in black and he wore a black suit black tie black hat and black overcoat His face was barely visible in the darkness and his voice lacked the typical West Virginia

accent 2 Being a nonconformist is not easy these days I grew my beard in 1966 while loafing on the farm of my friend zoologist Ivan T Sanderson I kept it until 1968 when hair became popular and half the young men in America began burying their identities in a great sea of facial hair 3 The fact that many seemingly straight forward accounts of monster sightings and UFO landings can be explained by irritatingly complex medical and psychological theories should not discount them The theories may seem more unbelievable than the original events but they are still worth considering 4 The house in New York s Greenwich Village is haunted by a strange ghost Some people can move objects with the power of their minds alone and some can see radiations and objects invisible to the rest of us

The Mothman Prophecies John Keel, 2015-01-01 A classic true story of modern horror For thirteen months the town of Point Pleasant West Virginia is gripped by a dark terror that culminated in a tragedy that made headlines around the world This is a story that contains all the elements of a modern science fiction movie except that every word is true and fully documented by famed journalist John A Keel Homes throughout the little town were plagued with unearthly noises and ghostly manifestations while mysterious aerial lights traveled silently overhead seemingly on a regular schedule Winged monsters and frightening apparitions terrified the population as automobiles stalled and telephones and television sets ran amok A Red Cross bloodmobile filled with fresh blood was pursued along a darkened highway by a weird flying machine Domestic animals were found slaughtered and mutilated in pastoral farm fields Innocent people live in surrealistic horror haunted by the fearsome Bird and besieged by legions of strange beings some of whom arrived in black suits and black automobiles John A Keel world traveler and noted Fortean investigator spent over a year in Point Pleasant where he saw and experienced many of the strange manifestations personally The Mothman Prophecies has been translated and published in fourteen languages and is regarded as a major classic in the annals of modern parapsychology It is guaranteed to shake your beliefs and concepts about reality It will open your mind to things you never dared think about before And it will scare the hell out of you
