Weathering The Storm Lessons Learned:

Stormy Weather Natalie Brown Rudd, 2015-02-23 Storm clouds looming above Feeling overwhelmed by the crisis you are experiencing Where can we turn for help when dark storm clouds are hovering above threatening to turn our world upside down Do we retreat and hide from the world Or is there another option Stormy Weather suggests that we retreat to the word of God where we are assured that God is our refuge and a present help in times of troubles Stormy Weather is a guide to help you weather the storms of life Whether it is a storm threatening your finances your marriage your job health or your relationships no matter what kind of storm you are facing Stormy Weather will help you to embrace the crisis and rise above the threatening waves that are trying to overtake you Whether you are in a storm or fresh out of one you will be reminded that God promises to be with us through it all Stormy Weather has become a part of my morning worship Although it sounds strange to imply that the storms of life are welcomedas Rudd compellingly revealsthe truth is that theyre necessary and guaranteed so I am learning to embrace by faith I love the combination of personal testimony Scripture songs and powerful declarative statements captured in this guidebook This is an inspiring testimony of the power of revealing vulnerability and an excellent tool for ushering in the spirit of the Lord Danielle Price Teach Director Antioch Baptist Church
