### *The Best Service is No Service* Bill Price,David Jaffé,2011-09-14

In this groundbreaking book Bill Price and David Jaffe offer a new game changing approach showing how managers are taking the wrong path and are using the wrong metrics to measure customer service Customer service they assert is only needed when a company does something wrong eliminating the need for service is the best way to satisfy customers To be successful companies need to treat service as a data point of dysfunction and figure what they need to do to eliminate the demand The Best Service Is No Service outlines these seven principles to deliver the best service that ultimately leads to no service Eliminate dumb contacts Create engaging self service Be proactive Make it easy to contact your company Own the actions across the company Listen and act Deliver great service experiences

### **Pay Attention!** Ann Thomas,Jill Applegate,2010-05-24

Make customer feedback work for your business Customers are speaking loud and clear through a myriad of mediums Evidence shows that customers will no longer stand for the hurried and complacent service that

has become the norm They are looking for a positive memorable experience Organizations that provide that level of service will earn their loyalty Customers base their decisions on nothing more than a positive or negative review of your product and or service Pay Attention paves the way Your company wins when you Understand Customer Expectations Embrace and implement The RATER Factors Define who you are and what you offer Become E T D B W Easy To Do Business With Connect with your audience in all mediums React appropriately and respond immediately to customer feedback Recover sincerely when things go wrong All you need is to Pay Attention *Waiting For Service* Amas Tenumah,2021 You hate waiting in line or on the phone for customer service There have been plenty of books about customer service that all seem to offer secrets to improve customer service This is not that book I instead want to focus on Why customer Service is so broken and give you the secrets to get around it Customer service is bad by design Your bad customer service is not random it is intentional Customer Service is universally terrible this is not an opinion You do not have to believe me I am saying it is raining outside and you can simply look out the window I spent two decades helping dozens of your favorite brands with customer service You will laugh get mad all over again at some of the conversations I have had with executives around customer service I name names expose Customer Service nightmares from Travel to Cable Walmart fast food and so much I also provide you with how to get around bad service and offer radical thinking to reset customer service Amas Tenumah
