Kushner, 2024-08-26 Is heroism possible for everyone Should it be What kinds of stories do we tell when we talk about heroes and what do these stories reveal about how we view ourselves This book takes up these questions and more by reflecting on twenty first century American television shows Among the shows examined are Only Murders in the Building Game of Thrones The Good Lord Bird The Boys and Severance What we find is an entertainment landscape unsure about what a hero is or even what qualifies as heroic In a nation uncertain about heroism we see a dramatic rise in the popularity of the anti hero and even in worlds without heroes This fragmented variety highlights how the American political mind is similarly fragmented in what it believes are its highest aspirations and its deepest anxieties It is this fragmentation that may help us understand why twenty first century entertainment has elevated the heroic to the supernatural while simultaneously democratizing heroism to the point where anyone may become one *A Hero in All of Us* Heroism and American Political
