An essential guide to writing and editing for digital media, this sixth edition responds to the mainstreaming of genAI (Generative AI) and LLMs (Large Language Models) among many other changes in the best practices of digital storytelling. Carroll explains and demonstrates how to effectively write for digital spaces and places that typically abound with graphical content, multimedia, and hypertextual interactive elements. He also combines hands-on practical exercises with information on key topics such as misinformation and disinformation and the proliferation of artificial intelligence. This new edition specifically explores the ethical questions raised by AI as well as the new possibilities it presents. Each chapter features lessons and exercises through which students can build a solid understanding of the ways that digital communication provides opportunities for dynamic storytelling and multi-directional communication. It also speaks to writers, editors, public relations practitioners, and social media managers and marketers. Updated with contemporary examples and new pedagogy throughout, this is the ideal handbook for students seeking careers in digital media, particularly in content development and digital storytelling. It is an essential text for students of media communication, public relations, marketing, and journalism who are looking to develop their writing and editing skills for these ever-evolving fields and professions. This book also has accompanying Support Material that offers additional weekly activities and assignments, providing students additional opportunity to put theory into practice. **Artificial Intelligence from Science Fiction to Reality** Emanuel Camilleri, 2025-11-03. Artificial Intelligence from Science Fiction to Reality examines various aspects, starting with the evolution of human and artificial intelligence (AI). It places AI in its proper context and discusses non-technical aspects such as philosophical and social issues. The major challenge leaders are likely to encounter is deciding what functions are to be entrusted to AI and how humanity can exercise control over them. The book also focuses on the hardware and software technology that support AI and the essential cyber security systems that are required to address the evolving AI threat landscape. It examines centres for AI safety that are nonprofit research organisations which focus on the mitigation of AI risks by proposing solutions against threat actors. The book discusses the knowledge-based economy, particularly

Enterprise AI and examines the ethical and legal issues that emerge from the practical implications of AI While most governments have endorsed voluntary ethical and moral charters there is a reluctance to introduce binding legislative measures This reluctance is based on the premise that specific laws might hinder AI innovation Furthermore detailed private and public sector case studies are presented that demonstrate how AI applications may be successfully implemented according to a practical framework A detailed discussion about the implications for human development is presented The differences between key economic approaches such as knowledge based economy digital economy and automated economy are examined and how these will be impacted by AI in relation to job displacement data privacy and security and algorithmic bias Finally the book also examines the era beyond AI where organoid intelligence is emerging It explores future human development where humans could be turned into cyborgs with hi tech machine implants re growable limbs and nanotechnology that repair damaged tissue rejuvenating human cells leading to immortality [iPad and iPhone Video](#) Jeff Carlson,2014 [Mastering iMovie 2025](#) Merritt Blake,2025-06-28 Are you looking to edit your presentation with audios transitions and so much more and get better with it Then this guide is the right choice for you iMovie is a widely used video editing software renowned for its intuitive interface and wide range of features This option is perfect for those who are new to video editing or have some experience but prefer a simpler software iMovie allows you to easily import video clips photos and audio files to create captivating movies or presentations The software offers a user friendly timeline based editing system that allows you to easily organize your media elements trim clips and incorporate transitions for a smooth and cohesive result iMovie also offers green screen editing making it simple to create custom backgrounds or add special effects to your videos The software provides a variety of pre built themes and templates making it easier to create videos with a polished and professional appearance The process of audio editing in iMovie is quite simple allowing you to easily incorporate background music sound effects and voiceovers Audio levels can be adjusted fades can be applied and background noise can even be removed to achieve a polished sound When it comes to sharing your creation iMovie offers a range of export options including the ability to directly share to popular social media platforms such as YouTube and Facebook Additionally it offers the flexibility to export in different resolutions ensuring compatibility with a wide range of devices and screens In general iMovie is a great option for individuals who want to produce top notch videos without needing advanced technical skills Here is a snippet of what you stand to learn from this guide What do you understand by iMovie What are the features of iMovie 2025 What are the benefits of using iMovie How to set up iMovie How to create a new iMovie project How to trim and cut videos in iMovie How to organize media and events How to add audio to iMovie on Mac How to add transitions and effects in iMovie Troubleshooting issues and solutions Frequently asked questions and answers in iMovie How to work with titles and text Tips and tricks to using iMovie [The Musician's Guide to iMovie for iPad](#) Thomas Rudolph,Vincent Leonard,2019-03-08 The Musician s Guide to iMovie for iPad features Apple s iMovie app the perfect app
