THE HOUSTON ASTROS: RISING TO THE TOP

Read the text and answer the questions below in complete sentences.

The Houston Astros are a Major League Baseball team based in Houston, Texas. The team was founded in 1962 and was originally called the Houston Colt .45s. A few years later, in 1965, they changed their name to the Astros to celebrate the city's connection to space exploration. Houston is home to NASA's Johnson Space Center, and "Astros" is short for astronaut.

The Astros play their home games at Minute Maid Park, which opened in 2000. The stadium has a retractable roof to keep players and fans cool from the hot Texas sun. It also features a train that moves along the tracks above left field whenever the Astros hit a home run or win a game.

The Astros started off as a National League team and moved to the American League in 2013, making them one of the few teams to play in both leagues. It took many years for the Astros to become serious championship contenders, but they worked hard, built strong teams, and never gave up.

In 2005, the Astros made it to the World Series for the first time in team history. They lost to the Chicago White Sox, but it was an exciting moment for Houston fans. Then in 2017, the Astros finally won their first World Series title, defeating the Los Angeles Dodgers in a thrilling seven-game series. Players like Jose Altuve, George Springer, Carlos Correa, and Justin Verlander were key to the team's success.

The 2017 victory was a huge celebration for the city of Houston, especially after the community had been affected by Hurricane Harvey earlier that year. The Astros' win brought joy and pride to the people of Houston.

The Astros reached the World Series again in 2019, 2021, and 2022, winning their second championship in 2022 by defeating the Philadelphia Phillies. With strong leadership, a mix of veterans and young stars, and dedicated fans, the Astros have become one of the most competitive teams in baseball.

The team's mascot is Orbit, a fuzzy green alien who's full of energy and fun. Orbit is loved by fans of all ages and is known for his silly dances, funny pranks, and interactions with players and fans.

From their space-themed name to their rise to championship success, the Houston Astros have shown that with teamwork, determination, and community spirit, anything is possible.
