

9 Tips to Master Your Morning

2. CUSTOMIZE YOUR ALARM

Instead of the traditional alarm, why not try waking up to one of your favorite songs? When you are gently roused from your slumber by a soft tune, you're likely to feel peaceful and composed—priceless emotions at the crack of dawn.

4. EAT BREAKFAST

In today's fast-paced world, it seems that the delights of breakfast are often surrendered to a hurried cup of coffee before running out the door. This is a big mistake.

6. TAKE THE STAIRS

Once you've made it to the office, take the stairs instead of the elevator. It's a perfect way to naturally work some exercise into your day, and it feels great to power up the steps and strut into the office feeling like you're on top of the world.

8. USE POWER POSES

Adjusting a simple thing like your posture can make a surprising difference in your morning. Sit with shoulders back and core engaged so you feel strong and ready for the day.

1. GET ENOUGH SLEEP

The National Sleep Foundation (who, *knew*, right?) recommends 7-9 hours per night for adults. The NSF also estimates that a lack of sleep costs the United States \$66 billion a year in loss of productivity and health care expenses.

3. EXERCISE

Exercising in the morning makes it easier to fit exercise into your day. Also, you get a nice shot of endorphins and some natural stress-relief first thing. That makes for a good start to a great day.

5. TREAT YOURSELF

It always helps to give yourself a little reward for getting up in the morning and tackling the day. Find one brief activity that you enjoy, like checking your favorite news app or listening to a bit of a podcast.

7. ENGAGE YOURSELF

Beginning your day by slogging through emails can be a productivity and motivation killer. If you can help it, try starting your most important and demanding task right when you get to your desk.

9. PRIORITIZE YOUR DAY

Prioritizing your day, especially by writing out your tasks, helps you feel confident and engaged until it's time to head home. Trello is great free tool that helps you organize your to-do lists.
