subscribers and annual revenues above 3 billion Yet long term success or even survival is still far from guaranteed Journalist Gina Keating recounts the absorbing fast paced drama of the company s turbulent rise to the top and its attempt to invent two new kinds of business First it engaged in a grueling war against video store behemoth Blockbuster transforming movie rental forever Then it jumped into an even bigger battle for online video streaming against Google Hulu Amazon and the big cable companies Netflix ushered in such innovations as DVD rental by mail a patented online queue of upcoming rentals and a recommendation algorithm called Cinematch that proved crucial in its struggle against bigger rivals Yet for all its success Netflix is still a polarizing company Hastings is often heralded as a visionary he was named Business Person of the Year in 2010 by Fortune even as he has been called the nation s worst CEO Netflix also faces disgruntled customers after price increases and other stumbles that could tarnish the brand forever The quest to become the world s portal for premium video on demand will determine nothing less than the future of entertainment and the Internet Drawing on extensive new interviews and her years covering Netflix as a financial and entertainment reporter Keating makes this tale as absorbing as it is important

Netflix, Inc Alan Nathan Hoffman, 2013 In 2011 Netflix was the world s largest online movie rental service Its subscribers paid to have DVDs delivered to their homes through the U S mail or to access and watch unlimited TV shows and movies streamed over the Internet to their TVs mobile devices or computers The company was founded by Marc Randolph and Reed Hastings in August 1997 in Scotts Valley California after they had left Pure Software Hastings was inspired to start Netflix after being charged 40 for an overdue video Initially Netflix provided movies at 6 per rental but moved to a monthly subscription rate in 1999 dropping the single rental model soon after From then on the company built its reputation on the business model of flat fee unlimited rentals per month without any late fees or shipping and handling fees
