Part I deals with the law and business of sports in the United States with the primary emphasis on the legal aspects of professional sports. Part II deals with the internationalization of sports from various perspectives, principally North American team sports. Part III explores the law and business of sports in 18 non-US jurisdictions, subject matter hardly covered in other sources if at all. Part V focuses upon sports marketing in its various forms in the United States as well as its international perspectives. This easy to read work is unmatched in that it covers subjects not addressed or only tangentially addressed in other works, presents insiders' perspectives on the subject matter, and focuses extensively on international aspects of sports law and business in connection with many different subjects.
