The ties that bind. Can sometimes be murder. Market farmer entrepreneur and amateur sleuth Shea Beaumont is both excited and worried about the impending visit from her college-aged twins, Chris and Carrie. Her divorce was rough, and her little family didn't exactly have time to process it before it was time for everyone to move on. When they arrive, it's evident early on that Chris, the more laid-back of the two, is going to be just fine, but Carrie has been hanging with a crowd at college that has contributed toward a less-than-positive attitude. Just when Shea thinks she might be making good progress with the twins, tragedy strikes, and she gets wrapped up in a murder investigation that hits way too close to home. The twins dive in to help, and Shea discovers that there's more to her grown children than she ever knew. Can she crack the case while managing a couple of delicate relationships? Find out in this exciting Farm Fresh Cozy Mystery. **Agatha Raisin: Sugar and Spite** M.C. Beaton, 2025-10-02. A Beaton novel is like *The Archers* on speed. DAILY MAIL: The detective novels of M.C. Beaton have reached cult status. THE TIMES: Feathers are flying in Agatha Raisin's brand new case. Agatha Raisin can think of nothing duller than a lecture on birdwatching, but events take a thrilling turn when an angry interloper storms the stage at the Carsely Ladies Society and threatens the three bird fanatics. When Agatha walks in on the trio of women in the middle of a blazing row, her detective instincts start twitching. And when one of the birdwatchers is found dead, she can't resist investigating. Her first lead comes from the victim's brother, who believes his sister was murdered by her fellow twitchers. Further digging reveals the disturbing nature of the women's friendship and a bewilderingly long list of suspects. Agatha will have to break out her binoculars and embrace her bitter side to solve the murders. Will she be able to gather all the breadcrumbs and put together the clues before she becomes a sitting duck herself?
