## Visit to the zoo

I recently went on a visit to the zoo, and it was so much fun! I saw all sorts of amazing animals, including lions, giraffes, and monkeys. My favorite part was seeing the elephants, because they were so big and majestic. I also got to see a baby elephant, and it was so cute and playful. I also saw some flamingos, and they were so colorful and graceful. The zoo was a great place to learn about all the different animals and see them up close. I can't wait to go back and see even more amazing creatures.

### **Brilliant**

**Activities for Reading Comprehension Year 2** Charlotte Makhlof,2015-12-02 The importance of being able to read for meaning should never be underestimated The ability to decode text is not enough It is vital that children understand what they are reading More importantly it is fundamental that they enjoy what they are reading so that they grow up to become lifelong readers The passages in the Brilliant Activities for Reading Comprehension series are designed to do just that They provide children with a variety of engaging enjoyable texts that will grab their attention and indeed their teacher's attention

as well. The types of comprehension passages range from newspaper articles and dialogues to plays, stories and poems. They gradually increase in difficulty as you progress through the book and through the series, encouraging children to develop their ability to read for meaning and use a range of strategies to engage with the text. Tasks range from simple factual recall and vocabulary work to more open ended questions, enabling the reader to provide a more personal response. The cross curricular activities provide a wealth of ideas for extending the passages further and are ideal for fast finishers.
