The Memoirs Of A Survivor:

The Memoirs of a Survivor Doris Lessing, 1975 Uses the daily activities of one doctor to describe the work of a pediatrician The Memoirs of a Survivor Kerry Lee Crabbe, 1981 **The Memoirs of a survivor** Doris Lessing, 1974

The Memoirs of a Survivor Doris Lessing, 1981-07-01 In a beleaguered city where rats and roving gangs terrorize the streets where government has broken down and meaningless violence holds sway a woman middle aged and middle class is brought a twelve year old girl and told that it is her responsibility to raise the child This book which the author has called an attempt at autobiography is that woman s journal a glimpse of a future only slightly more horrendous than our present and of the forces that alone can save us from total destruction **The Memoirs of a Survivor de Doris Lessing** Jean-Christophe Murat, 1995 **Seed of Sarah** Judith Magyar Isaacson, 1991-06 A first person account of the author as a 19 year old Hungarian Jewish girl sent to Auschwitz

Encountering the Past: Doris Lessing's The Memoirs of a Survivor as Autobiographical Fiction □□□, 2008 **The Unexpected Universe of Doris Lessing** Katherine Fishburn, 1985-12-06 In this first study of Doris Lessing s science fiction Fishburn devotes a chapter to each of Lessing s seven novels Her major argument is that Lessing uses these novels to change our perception of reality by describing worlds that are simultaneously similar to and different from our own Of particular importance is the fact that each narrator by functioning as an intermediary or guide leader helps skeptical readers to experience the alien worlds of Lessing s imagination As she traces the development of these seven narrators Fishburn shows how they eventually fulfill the role of the idealized author Lessing described in *The Small Personal Voice* In examining how these texts challenge us to change Fishburn discusses the influence of Marxist and Sufi thought on Lessing and also points out the striking similarity between Lessing s philosophy of wholeness and the discoveries of modern physics **Myths and Fairy Tales in Contemporary Women's Fiction** Sharon Rose

Wilson, 2008-08-15 *Myths and Fairy Tales in Contemporary Women s Fiction* explores contemporary feminist postmodernist and postcolonial women writers use and revisions of fairy tales and myths With close readings of works ranging from Margaret Atwood to Doris Lessing to Toni Morrison Wilson examines meanings of myths and fairy tales as well as their varying techniques images intertexts and genres Although the writers represent several different nationalities and racial ethnic and cultural backgrounds they employ a type of postcolonial literature that urges readers and societies beyond colonization Wilson argues that the use of myths and fairy tales generally convey characters transformation from alienation and symbolic amputation to greater consciousness community and wholeness and it is in and through story that characters construct a hybrid way of establishing themselves in the larger world **Me Cheeta: The Autobiography**

Cheeta, 2009-11-12 The incredible moving and hilarious story of Cheeta the Chimpanzee star of the big screen on a behind the scenes romp through the golden years of Hollywood As heard on Radio 4 starring Jon Maltovich and Julian Sands

"The Quest for the Self in Doris Lessing.s novel ""The Memoirs of a Survivor""" Eva Maryl, Book Review Index , 1975

English Novel Explication ,1976 **The Contemporary Novel** Irving Adelman, Rita Dworkin, 1997-10-09 In this new edition what was already an expansive work has been updated and further enlarged to include information not only on American and British novelists but also on writers in English from around the world *Articles on Women Writers: 1976-1984* Narda Lacey Schwartz, 1977 **Titanic Survivor** Violet Jessop, 1997 Memoirs of Violet Jessop who was a stewardess aboard the Titanic and a wartime nurse aboard the Britannic when disaster struck Spiritual Exploration in the Works of Doris Lessing Phyllis Perrakis, 1999-04-30 Though Doris Lessing never explicitly refers to spirituality in her works she nonetheless explores spiritual issues throughout her texts This book examines the prominence of spirituality in her writings The volume provides both close readings of individual works and sweeping surveys of her nearly fifty year career The contributors employ a variety of theoretical perspectives such as systems theory feminist studies of the body and of androgyny postcolonial theories mythic prophecy and intersubjective psychology The contributors reveal that Lessing s presentation of spirituality is neither rigid nor orthodox neither the product of the split between the body and the soul nor anchored in formal systems of the past or present The volume is divided into three sections The first on spirituality manifested in everyday life examines individual works in which ordinary experiences such as growing old or struggling to adopt to the difficulties of married life comment on spiritual concerns Included are chapters on The Diaries of Jane Somers

and The Marriages Between Zones Three Four and Five The second section contains chapters on the formation and dissolution of individual identity for characters at different stages of the life cycle and the parallel changes within societies at different stages of cultural collapse The third part presents chapters on the larger patterns that inform many of Lessing s works with attention either to individual texts or to clusters of her writings **Doris Lessing Newsletter** ,2000 **Room of One's Own** ,1979
