## **Wedding Heard Round World Americas:**

The Engagement Sasha Issenberg, 2022-05-31 A NEW YORK TIMES NOTABLE BOOK OF THE YEAR The riveting story of the conflict over same sex marriage in the United States the most significant civil rights breakthrough of the new millennium Full of intimate details battling personalities heated court cases public persuasion John Williams The New York Times On June 26 2015 the U S Supreme Court ruled that state bans on gay marriage were unconstitutional making same sex unions legal across the United States But the road to that momentous decision was much longer than many know In this definitive account Sasha Issenberg vividly guides us through same sex marriage s unexpected path from the unimaginable to the inevitable It is a story that begins in Hawaii in 1990 when a rivalry among local activists triggered a sequence of events that forced the state to justify excluding gay couples from marriage In the White House one president signed the Defense of Marriage Act which elevated the matter to a national issue and his successor tried to write it into the Constitution Over twenty five years the debate played out across the country from the first legal same sex weddings in Massachusetts to the epic face off over California s Proposition 8 and finally to the landmark Supreme Court decisions of *United States v Windsor* and *Obergefell v Hodges* From churches to hedge funds no corner of American life went untouched This richly detailed narrative follows the coast to coast conflict through courtrooms and war rooms bedrooms and boardrooms to shed light on every aspect of a political and legal controversy that divided Americans like no other Following a cast of characters that includes those who sought their own right to wed those who fought to protect the traditional definition of marriage and those who changed their minds about it *The Engagement* is certain to become a seminal book on the modern culture wars **The Wedding Heard 'Round the World: America's First Gay Marriage** Michael; Karwoski McConnell (Gail Langer; Baker, Jack), 2013 The Wedding Heard 'Round the World Michael McConnell, Jack Baker, 2016-01-01 On September 3 1971 Michael McConnell and Jack Baker exchanged vows in the first legal same sex wedding in the United States Their remarkable story is told here for the first time a unique account of the passion and energy of the gay liberation movement in the sixties and seventies At the dawn of the modern gay movement while New York s Stonewall riots and San Francisco s emerging political activism bloomed these two young men insisted on making their commitment a legal reality They were already crusaders for gay rights Jack had twice been elected the University of Minnesota s student president the first openly gay university student president in the country an election reported by Walter Cronkite on network TV news They were featured in *Look* magazine s special issue about the American family and received letters of support from around the world The couple navigated complex procedures to obtain a state issued marriage license Their ceremony was conducted by a Methodist minister in a friend s tiny Minneapolis apartment Wearing matching white pantsuits exchanging custom designed rings and sharing a tiered wedding cake Michael and Jack celebrated their historic marriage After reciting their vows they sealed their promise to love and honor each other with a kiss and a signed marriage certificate Repercussions were

immediate Michael's job offer at the University of Minnesota was rescinded leading him to wage a battle against job discrimination with the help of the Minnesota Civil Liberties Union. The couple eventually reached the U.S. Supreme Court with two precedent setting cases. Michael and Jack have retired from the public spotlight but after four decades their marriage is still their joy and comfort. Living quietly in a Minneapolis bungalow they exemplify a contemporary version of the American dream. Only now with marriage equality in the headlines and the Supreme Court decision to make love the law of the land are they willing to tell the entire story of their groundbreaking experiences. TIME magazine listed the twenty five most influential marriages of all time and included Michael and Jack and they were recently profiled in a cover story in the Sunday New York Times. Their long campaign for marriage equality and insistence on equal rights for all citizens is a model for advocates of social justice and an inspiration for everyone who struggles for acceptance in a less than equal world.

**LOVE: The Heroic Stories of Marriage Equality** Frankie Frankeny, 2025-04-15 Celebrating the history of the LGBTQ community's marriage equality movement from the 1950s until today this triumphant journey is presented in compelling stories of the pioneering couples along with winning photographs. This beautiful moving tome honors the brave LGBTQ couples, activists and allies who fought for and ultimately gained the right to marry. The chronological presentation of 100 inspiring stories of these dauntless partners up to the strategists of today recount how they were instrumental in bringing about this basic civil right. Beginning in the pre 1970s era when gay couples were nearly invisible the story then shifts to the growing activism of the 1980s and 1990s continues with the landmark Supreme Court ruling in 2015 which granted full marriage equality across the nation and concludes with an exploration of current issues. These moving profiles along with archival images feature couples from major court cases such as Jim Obergefell and John Arthur along with well known personalities whose narratives helped draw attention to marriage equality including Cynthia Nixon and Christine Marinoni, George and Brad Takei and Ellen DeGeneres and Portia de Rossi. [Gordon Merrick and the Great Gay American Novel](#) Joseph M. Ortiz, 2022-05-23 Gordon Merrick and the Great Gay American Novel is the first biography of Gordon Merrick the most commercially successful writer of gay novels in the twentieth century. This book shows how Merrick's novels were largely based on his own life and time as a Princeton theater star, a Broadway actor, a New York reporter, an OSS spy and the friend of countless artists and celebrities as an expatriate in France, Greece and Sri Lanka. He lived much of his life as an openly gay man with his longtime partner Charles Hulse. His 1970 novel *The Lord Won't Mind* broke new ground by showing that an affirming explicitly gay novel could be a bestseller. His subsequent gay novels were both a cultural phenomenon and a lightning rod for literary critics. This book also examines the complex often conflicting responses to Merrick's novels by gay readers and critics and it thus recovers the early post Stonewall debates over the definition of gay literature. By reconstructing Merrick's life and critical fortunes this book expands our understanding of what it means to be a gay man in the twentieth century. **Marriage Equality** William N. Eskridge, Jr., Christopher R. Riano, 2020-08-18 The definitive history

of the marriage equality debate in the United States praised by Library Journal as beautifully and accessibly written An essential work As a legal scholar who first argued in the early 1990s for a right to gay marriage William N Eskridge Jr has been on the front lines of the debate over same sex marriage for decades In this book Eskridge and his coauthor Christopher R Riano offer a panoramic and definitive history of America s marriage equality debate The authors explore the deeply religious rabidly political frequently administrative and pervasively constitutional features of the debate and consider all angles of its dramatic history While giving a full account of the legal and political issues the authors never lose sight of the personal stories of the people involved or of the central place the right to marry holds in a person s ability to enjoy the dignity of full citizenship This is not a triumphalist or one sided book but a thoughtful history of how the nation wrestled with an important question of moral and legal equality

**The Wedding Heard 'round the World** Michael McConnell, Jack Baker, Gail Karwoski, 2016 On September 3 1971 Michael McConnell and Jack Baker exchanged vows in the first legal same sex wedding in the United States Their remarkable story is told here for the first time a unique account of the passion and energy of the gay liberation movement in the sixties and seventies At the dawn of the modern gay movement while New York s Stonewall riots and San Francisco s emerging political activism bloomed these two young men insisted on making their commitment a legal reality They were already crusaders for gay rights and Jack had twice been elected the University of Minnesota s student president the first openly gay university student president in the country The couple navigated complex procedures to obtain a state issued marriage license and were married by a Methodist minister in a friend s Minneapolis apartment After reciting their vows they sealed their promise to love and honor each other with a kiss and a signed marriage certificate with immediate repercussions Michael s job offer at the University of Minnesota was rescinded leading him to wage a battle against job discrimination The couple eventually reached the U S Supreme Court with two precedent setting cases Today living quietly in a Minneapolis bungalow Michael and Jack exemplify a contemporary version of the American dream Only now with marriage equality in the headlines and the Supreme Court decision to make love the law of the land are they willing to tell the entire story of their groundbreaking experiences Their long campaign for marriage equality is a model for advocates of social justice and an inspiration for everyone who struggles for acceptance in a less than equal world Back cover
