Messner,2017-08-15 A classic event in mountaineering history dramatically retold by a classic mountaineer Ascending the Matterhorn was the 19th century equivalent of standing on Mars A great historical story of tension and drama Author is uniquely qualified to delve into Whymper s complicated personality As Fall of Heaven begins we join professional mountain guide Jean Antoine Carrel as he tries and fails again and again to summit the Matterhorn one of the most famous and iconic peaks in the Alps Is it the Devil s mountain as the locals call it Should he heed the village priest who warned that its summit was not meant to be climbed Carrel is undeterred he just needs capable climbers to join him Enter Edward Whymper who in 1861 at the age of 21 decided unbeknownst to Carrel that he would be the first to climb the Matterhorn So the storyline is set except that where Carrel is captivating Whymper is utterly unsympathetic as an adventurer He is mean and disdainful of guides describing them as little more than porters who eat and drink too much Despite this attitude Whymper s quest leads him inexorably into partnership with Carrel The story follows their many attempts to find a route to the top of the Matterhorn but then fate pulls them apart just as Whymper finds the line His successful summit on July 14 1865 in which Carrel did not take part shocked the Victorian world with both awe and revulsion as four members of Whymper s party died in frightening falls Famed climber and author Reinhold Messner acknowledges that Whymper was the first man to summit the Matterhorn the last of the great Alpine peaks to be climbed and representing the beginning of an age of alpinism based on difficulty rather than conquest But rather than leaving a hero s legacy Whymper is revealed as the Captain Ahab of alpinism a team leader who accepted no responsibility for the deaths of his teammates Fall of Heaven is an exciting tale and an examination of the different types of men who were caught up in the adventuring spirit of the Victorian age and the ironic fates that can follow success or failure    **Boot and Shoe Recorder** ,1969    *Fodor's The Complete Guide to the National Parks of the West* Fodor's Travel Guides,2016-05-10 Written by locals Fodor s travel guides have been offering trusted advice for all tastes and budgets for 80 years Fodor s The Complete Guide to the National Parks of the West features comprehensive
