new operas or exhibits with critics weighing in on everything from the interior and exterior design to the orchestra. Handsomely produced and extensively illustrated *Cinema Treasures* is detailed without being dull and thoroughly at home with this often neglected subject matter. Its title would have you believe it is a celebration of the golden age of movie theaters. But this book is something completely different: an examination of the history of movie exhibition which the authors accurately call a vastly under researched topic. *Los Angeles Times*, *Official Gazette of the United States Patent and Trademark Office*, 2007     **California**, 1986     **Good Housekeeping**, 1987     *Catalogue* Montgomery Ward, 1982
