University Guide 2013 2014:

The Global Academic Rankings Game Maria Yudkevich, Philip G. Altbach, Laura E. Rumbley, 2016-03-02 The Global Academic Rankings Game provides a much needed perspective on how countries and universities react to academic rankings Based on a unified case methodology of eleven key countries and academic institutions this comprehensive volume provides expert analysis on this emerging phenomenon at a time when world rankings are becoming increasingly visible and influential on the international stage Each chapter provides an overview of government and national policies as well as an in depth examination of the impact that rankings have played on policy practice and academic life in Australia Chile China Germany Malaysia the Netherlands Poland Russia Turkey the United Kingdom and the United States The Global Academic Rankings Game contributes to the continuing debate about the influence of rankings in higher education and is an invaluable resource for higher education scholars and administrators as they tackle rankings in their own national and institutional contexts

Academic Irregularities Liz Morrish, Helen Sauntson, 2019-08-23 This volume serves as a critical examination of the discourses at play in the higher education system and the ways in which these discourses underpin the transmission of neoliberal values in 21st century universities Situated within a Critical Discourse Analysis based framework the book also draws upon other linguistic approaches including corpus linguistics and appraisal analysis to unpack the construction and development of the management style known as managerialism emergent in the 1990s US and UK higher education systems and the social dynamics and power relations embedded within the discourses at the heart of managerialism in today s universities Each chapter introduces a particular aspect of neoliberal discourse in higher education and uses these multiple linguistic approaches to analyze linguistic data in two case studies and demonstrate these principles at work This multi layered systematic linguistic framework allows for a nuanced exploration of neoliberal institutional discourse and its implications for academic labor offering a critique of the managerial system in higher education but also a larger voice for alternative discursive narratives within the academic community This important work is a key resource for students and scholars in applied linguistics Critical Discourse Analysis sociology business and management studies education and cultural studies

The Internationalisation of Legal Education Christophe Jamin, William van Caenegem, 2016-04-30 This volume provides an overview of the state of internationalisation of legal education IOLE in many civil law and common law countries It provides a picture of the status of the debate about the shape and degree of internationalisation in the curriculum in the different countries and the debates surrounding the adoption of a more international approach to legal education in the contemporary world It is a compilation of the National Reports submitted for the August 2014 Congress of the IACL held at Vienna and contains an introductory general report Together the reports examine such questions as Why is the topic of internationalization of legal education on the agenda now Why is it a relevant subject for examination today Does the topic generate the same level of interest everywhere in the world Is enthusiasm for IOLE mainly driven by the academic

sector by government by multinational corporations Is the interest closely linked with the globalization of the practice of law Or is globalisation of law itself something of a myth or a reality reserved for only a very small percentage of practising lawyers around the world The general and national reports make clear that there is indeed widespread interest in IOLE and numerous disparate initiatives around the world Nonetheless some National Reporters state that the topic is simply not on the agenda at all All in all the volume shows that the approaches to internationalisation are many and varied but every jurisdiction recognises the importance of introducing aspiring lawyers to a more integrated global environment The Orange Bowl Tommy A. Phillips,2023-01-23 The Orange Bowl has been played 88 times since 1935 Originating as the small Festival of Palms Bowl meant to attract tourists to Miami it has grown into a national football event watched by 16 million people Beginning with Bucknell s first victory over Miami this book covers each Bowl in detail including the first game in Miami Orange Bowl stadium in 1938 Charles Bryant s breaking of the color barrier in 1955 the four national championship games of the 1980s the move to what is now Hard Rock Stadium in the 1990s and the new era of the Bowl as a semifinal game in the College Football Playoff University of British Columbia Law Review University of British Columbia,2013 *Latin Composition, an Elementary Guide to Writing in Latin* Joseph Henry Allen,James Bradstreet Greenough,1891 *Peterson's Guide to Graduate Programs in the Biological and Agricultural Sciences* ,1990 Guide to the House of Commons ,2017 **Real Estate Record and Builders' Guide** ,1926 **A Guide to Serial Publications Founded Prior to 1918 and Now Or Recently Current in Boston, Cambridge, and Vicinity** Thomas Johnston Homer,1922 The Hanson Guide to the Internet & Internet Databases ,2000 **Commonwealth Yearbook** Nexus Strategic Publishers,2014-07-28 The Commonwealth Yearbook is the flagship annual publication of the Commonwealth Secretariat It is the essential reference guide to the countries organizations activities and values of the modern Commonwealth The 2014 edition has been fully updated and includes reports from the 2013 Commonwealth Heads of Government Meeting a directory of Commonwealth organizations and extensive reference sections and in depth profiles on each of the 53 member countries Russell's Official National Motor Coach Guide ,1984 **Annual Report of the President of the Ohio State University to the Board of Trustees, the Governor and the Citizens of Ohio for the Year Ending June 30 ...** Ohio State University,Ohio State University.
