Blessedly Forever, Volume 1 R. Paul Stevens, 2024-02-20 Work whether from home in cyberspace or in a factory or office occupies a major chunk of our time energy and soul This book seeks to make sense of our work in the world through adapting the pithy statement of the Puritan William Perkins to define marketplace theology as the science of working blessedly forever It is a science involving investigation but not just with the head thought but also with heart prayer and hand practice But it is a science of working So the book investigates a theology of work undertaken in the light of God's blessing and purpose And our work is not just for this life but forever since some of it could last into the new heaven and new earth where guess what Scripture says we will work as fully human and resurrected beings Stevens gathers his lifetime of research and teaching into this book showing through biblical research and contemporary analysis the meaning of work and human enterprise It could change your lifestyle your work style and your soul

Philosophical Theology Philosophy and Ethics     **Worth Doing** W. David Buschart,Ryan Tafilowski,2025-11-25 Reimagine Your Theology of Faith and Work Conversations about faith and work often miss an important truth limitations are not a problem they're a key part of what it means to be human Work has always been part of humanity's purpose but we're no longer in the perfect Garden of Eden nor are we in the future new heavens and new earth To truly address the challenges of work we need a new theological perspective In Worth Doing David Buschart and Ryan Tafilowski embrace the realities of limitations challenging the myths of You are what you do and Do what you love Instead they propose a theology of work that affirms the goodness of human limits while addressing the realities of fallenness offering hope for those who may not find deep fulfillment in their daily jobs Buschart and Tafilowski outline a new vision of work that resonates with all workers recognizing that every job has value even when it doesn't align with idealized notions of purpose or calling By embracing this perspective people can find new ways to approach daily labor even when it doesn't feel deeply fulfilling In Worth Doing readers will Gain a theology of work that moves beyond only ideas of productivity or calling Learn how to embrace human limitations as part of God's good design Reflect on the ways work connects to broader questions of purpose and human flourishing Worth Doing invites readers to consider their limitations as valuable aspects of their vocational journey offering a thoughtful framework for addressing the complexities of work This book is particularly relevant for theologians examining the intersections of work faith and rest Christian educators and leaders in the faith and work space By moving beyond conventional theological approaches to faith and work Worth Doing presents a hopeful and theologically rich perspective on vocation that acknowledges and embraces human limitations     The Kingdom of God in Working Clothes R. Paul

Stevens,2022-08-05 Work occupies most of our waking time whether it is in a factory office school or at home But unfortunately most people of faith separate their working life from their worshipping life Dualism is a pernicious heresy that has infected believers worldwide namely that church work and missionary service are holy and our everyday work is secular In this timely volume Stevens explores the connection of the kingdom of God the master thought of Jesus with the marketplace Traditionally people have either related the kingdom of God God s new world coming either exclusively for the present or only for the distant future But it is both now and coming This gives meaning hope and endurance to our work in the world So daily labor in the marketplace gets reoriented through salty values and ingrained virtues We become double agent spies exploring the new world coming in everyday life We can also grapple helpfully with the resistance we face daily in the workplace There are many books on the kingdom of God and many on work Few have brought these two vital arenas of everyday service together It is indeed part of the good news *Working Blessedly Forever, Volume 3* R.
