**Tolerating Ambiguity for Leadership and Professional Effectiveness** Andrew J. DuBrin, 2022-11-03 Tolerating Ambiguity for Leadership and Professional Effectiveness focuses on an underpublicized success factor in work and personal life. As the world of work has become more uncertain and rapidly changing, the ability to tolerate ambiguity as well as thrive from it has gained in importance as a trait and behavior for leaders, managers, and individual contributors. The purpose of the book is to enhance the reader's tolerance for ambiguity as a method of fortifying his or her leadership and professional effectiveness. The book describes relevant research and opinion about many aspects of tolerating ambiguity. Each chapter contains a few ideas for dealing better with ambiguity, and the final chapter presents a comprehensive list of suggestions for becoming more effective at dealing with ambiguity. Self-quizzes are presented in ten chapters to help you personalize the major chapter theme under consideration. All key points throughout the book are illustrated with examples, including references to identified individuals and business organizations. The major contribution of the book is its systematic presentation of applied information related to tolerating ambiguity, such as the payoffs from tolerating ambiguity, the attributes and actions of people who tolerate ambiguity, enhancing leadership effectiveness, and the facilitation of creativity and innovation. The book also includes a master plan for applying the information about ambiguity tolerance to serve as a guideline toward action.

**Paris Is Always a Good Idea** Jenn McKinlay, 2020-07-21 One of Popsugar's Best New Books for Summer 2020. A thirty-year-old woman retraces her gap year through Ireland, France, and Italy to find love and herself in this hilarious and heartfelt novel. It's been seven years since Chelsea Martin embarked on her yearlong post-college European adventure. Since then, she's lost her mother to cancer and watched her sister marry twice while Chelsea's thrown herself into work, becoming one of the most talented fundraisers for the American Cancer Coalition and with the exception of one annoyingly competent coworker, Jason Knightley, her status as most successful moneymaker is unquestioned. When her introverted mathematician father announces he's getting remarried, Chelsea is forced to acknowledge that her life stopped after her mother died and that the last time she can remember being happy in love or enjoying her life was on her year abroad. Inspired to retrace her steps to find Colin in Ireland, Jean Claude in France, and Marcelino in Italy, Chelsea hopes that one of these three men who stole her heart so many years ago can help her find it again. From the start of her journey, nothing goes as planned, but as Chelsea reconnects with her old self, she also finds love in the very last place she expected.

**Life Goes Both Ways** Willy Vil, 2024-08-05 The story "Life Goes Both Ways" is a true story that is about a twenty-year-old who just finished high school from abroad and moved to the USA without his mom, dad, and friends. Due to the speech impediment, life was too difficult for him. When he left, he made lots of commitments to his family. In the start, he felt that everything was going to be easy to the point where he was going to maintain a reasonable life right away. Shortly he discovered that things didn't work like that in the United States of America. Some types of items ought to be done sooner.

before you could get yourself situated At foremost he was living with his brother J but things didn t work out nicely between the two of them In a brief time in the country he was out of his brother s home with no place to stay Luckily an elder companion of his promised him to stay in his place until he gets his life in order Therefore he jumped back and forth from position to position until he chose to go to school to construct some modifications in his life He attempted to go to school but it didn t work out for him It wasn t until he met a professor who used to teach French at a university in Paris who showed him some methods about how to write essays in the English language Ever since he observed he was doing very well in school He managed to get his associate s in business entrepreneurship but then quit going to college After a few years he met his wife and they had three boys together and bought a house Due to union obligations and taking care of the children he couldn t afford to go back to school His life was focused on the children s education and work After the children graduated from college and had successful careers he decided to go back to school to finish what he started After fifty plus years during COVID time he went back to school and managed to graduate with honors He went to Purdue University Global where he got himself a degree in business administration He was an exceptional student too Information in the book showcased that life went both ways At certain times in life there would be no way out other times things would be floating smoothly At first the future didn t appear very good for the young man in this country With hard work commitment and the support of a few good people he managed to adjust certain things and at last create an exorbitant life for himself Things were challenging at the beginning but he turned a bunch of negative stuff into positive ones Nevertheless I think that we need good tutors to teach us about the facts of life In that case our parents are the ideal ones After all I believe very strongly that we should listen to our mom and dad more often because their words contain valuable lessons to teach us
