*Crash Course in Readers' Advisory* Cynthia Orr, 2014-12-05 One of the key services librarians provide is helping readers find books they'll enjoy. This crash course will furnish you with the basic practical information you need to excel at readers advisory RA for adults and teens. The question can you recommend a good book can be one of the most daunting you face notwithstanding the fact that recommender tools are ubiquitous. Often uncertainty arises because although librarians are called on to perform such services daily, readers advisory is a skill set in which most have no formal training. This guide will remedy that. It is built around understanding books, reading and readers and will quickly show you how to identify reading preferences and advise patrons effectively. You'll learn about multiple RA approaches such as genre appeal, features and reading interests and about essential tools that can help with RA. Plus you'll discover tips to help you keep up with this ever-changing field. There is no other professional book that covers the full spectrum of skills needed to perform the RA service that is in such great demand in libraries of all kinds. Helping readers find what they want is a sure way to serve patrons and build your library's brand. You will come away from this easy-to-understand crash course with the solid background you need to do both.

**Shark Heart** Emily Habeck, 2023-08-08 A New York Times Editors' Choice A USA TODAY Bestseller A Booklist Editor's Choice A Goodreads Choice Award Nominee A Massachusetts Book Awards Fiction Honors Selection Shortlisted for the Brooklyn Public Library Book Prize A beautifully written Anthony Doerr Pulitzer Prize-winning author of *All the Light We Cannot See* debut novel of marriage, motherhood, metamorphosis, and letting go. This intergenerational love story begins with newlyweds Wren and her husband Lewis, a man who over the course of nine months transforms into a great white shark. For Lewis and Wren, their first year of marriage is also their last. A few weeks after their wedding, Lewis receives a rare diagnosis. He will retain most of his consciousness, memories, and intellect, but his physical body will gradually turn into a great white shark. As Lewis develops the features and impulses of one of the most predatory creatures in the ocean, his complicated artist's heart struggles to make peace with his unfulfilled dreams. At first, Wren internally resists her husband's fate. Is there a way for them to be together after Lewis changes? Then a glimpse of Lewis's developing carnivorous nature activates long-repressed memories for Wren, whose story vacillates between her childhood living on a houseboat in Oklahoma, her time with her college ex-girlfriend, and her unusual friendship with a woman pregnant with twin birds. Woven throughout this heart-wringing story is Adam Roberts, internationally bestselling author of *Salt*, novel of Wren's mother Angela, who becomes pregnant with Wren at fifteen in an abusive relationship amidst her parents' crumbling marriage. In the present, all of Wren's grief eventually collides, and she is forced to make an impossible choice. A sweeping love story that is at once lyrical and funny, airy and visceral, *Shark Heart* is an unforgettable, gorgeous novel about life's perennial questions: the fragility of memories, finding joy amidst grief, and creating a meaningful life. This daring debut marks the arrival of a wildly talented new writer abounding with originality, humor, and heart.

**Summary of Reminders of Him** Alexander Cooper, 2023-01-16

Reminders of Him A Comprehensive Summary Reminders of Him by Colleen Hoover was as of late conveyed and I understand there s been a lot of energy among her fans around the appearance of her freshest book What s more it s free on Kindle Unlimited to seek after a free starter Ensuing to getting Verity I didn t know whether her books were really a solid match for me but I ve been in the disposition for some feeling as of late so I regularly Hoover s latest conveyance was on my radar I similarly comprehended that Verity was a more prominent measure of faint opinion which isn t really what I m into which is perhaps why I didn t see the value in it Assists with recalling that Him seemed like it might be considerably more a misfortune and perhaps a bit sure which I understood I d will undoubtedly bounce on board with In Reminders of Him Kenna has actually gotten away from prison for a heavy drinker driving disaster that achieved her darling Scotty s passing After the incident she d learned she was pregnant and had gone to prison in a split second some time later By and by following five years she returns to town needing to see her young lady yet she ends up associating with Scotty s dearest friend who she hadn t met before then The contracted type of this review is that this book is a fair type of unequivocally the sort of book it s meaning to be Thusly if you want a misfortune y feeling you ll no doubt genuinely it A more extended out variation of this is to say that my overall impressions of this were all things considered sure Basically I found the central ardent plotline in it to be sweet and convincing I partook in that there was an incredible development to their relationship which felt sensible It helps that the piece and pacing are both solid which you d expect from a pre arranged maker like Hoover Exactly when I at first read the explanation I was a little stressed that this book would be all things considered a grouch and I think it successfully could ve transformed into a semi putting story in some unsuitable hands down In any case Hoover really buckles down of managing the tone of the novel so it feels energetic yet completely not exorbitantly troubled The male saint is an all around traditional ardent legend but I liked that the principal individual of Kenna had a charming sensation of character which helped me with appreciating and root for their relationship Kenna is depicted as someone with a deplorable puberty achieving being someone in her more young years who wasn t really set up dressed somewhat provocatively and wasn t the sort of individual watchmen required their youngster to get back I adored her deformities and it made the story feel fairly more real to me Here is a Preview of What You Will Get A Detailed Introduction A Comprehensive Chapter by Chapter Summary Etc Get a copy of this summary and learn about the book
