Tax Laws for Art Felicity Moreau, AI, 2025-02-21 *Tax Laws for Art* offers critical insights into leveraging tax benefits and developing financial strategies tailored for art holdings. The book reveals how understanding tax laws can significantly enhance art investment returns and preserve wealth, treating art as a serious asset class. Readers will discover how expenses like appraisals and insurance can lead to deductions and how strategic art donations can offer substantial tax advantages. The book adopts a structured approach starting with core tax concepts like income, capital gains, and estate tax, before diving into deductions and charitable donations. By drawing on IRS publications, tax court rulings, and art market data, it provides actionable strategies for optimizing financial outcomes. A key focus is on estate planning tools to manage art assets and minimize tax burdens. Unique in its practical step-by-step guidance, *Tax Laws for Art* moves beyond legal explanations to offer tools for immediate implementation. This approach makes it an invaluable resource for art collectors, investors, financial advisors, and estate planning attorneys seeking to navigate the complex intersection of art, finance, and tax regulations within the U.S. federal tax landscape.
