Surfing Guide To Southern California:

Surfer Magazine's Guide to Southern California Surf Spots The Editors of Surfer Magazine, 2006-05-04 Surfer Magazine offers the ultimate guide to catching the best waves from the pristine points of Santa Barbara to the sunny beaches of San Diego. For more than 250 spots this sturdy manual sporting a water resistant cover delivers a clear assessment of wave quality prime wave conditions and local hazards both natural and manmade. Informative text answers the burning questions that surfers often pose. What tide? What wind? What swell? How are the locals? Are they worse than the sharks or the traffic? With helpful maps, photos and directions this Surfer's Guide is sure to become the gold standard for anyone looking to score the perfect wave.

Surfing Guide to Southern California William S. Cleary, David H. Stern, 1998 **Surfing Guide to Southern California** David Stern, 2015-02-12 Surfing unlike many sports requires no teams, rules, regulations, scores or stadiums full of spectators. Surfing instead encapsulates personal triumph in which the individual measures the growth and limits of his or her own capabilities while riding the face of a wave. Initially published in 1963 this first ever guidebook to California surfing remains a classic that embodies the essence of SoCal surfing during the Golden Years. In addition to understanding the anatomy of the coastline, get the skinny on private vs public beaches, weather and wind conditions, water temperature, swell classifications, sea life and the history of surfing. Accented with over 100 aerial photos, action shots and maps, Stern and Cleary's witty guide provides precise descriptions of the entire southern coast and essentially everything you need to know before hitting the waves. Although the surfing scene has changed, Surfing Guide to Southern California remains highly relevant for surfers of today and provides a dose of nostalgia for surfers of yesterday.

Southern California's Best Surf Tom Wegener, Bill Burke, 1990-01-01 **Surfer Magazine's Guide to Northern and Central California Surf Spots** The Editors of Surfer Magazine, 2006-05-04 Surfer Magazine offers the ultimate guide to catching the best waves from the redwood shores of the Oregon-California border to the wind blasted coastal plains of San Luis Obispo County. For more than 250 spots this sturdy manual sporting a water resistant cover delivers a clear assessment of wave quality prime wave conditions and local hazards both natural and manmade. Informative text answers the burning questions that surfers often pose. What tide? What wind? What swell? How are the locals? Are they worse than the sharks or the traffic? With helpful maps, photos and directions this Surfer's Guide is sure to become the gold standard for anyone looking to score the perfect wave.
