Until now, registered investment advisers Hildy and Stan Richelson have written *The Money Making Guide to Bonds* to serve as this solid and thorough yet user friendly resource on the subject. Over 35 different types of bonds and 20 types of bond funds are described, highlighting the specific advantages, risks and tax implications of each. The stock market decline clearly demonstrated to investors that bonds belong in every portfolio. *The Money Making Guide to Bonds* not only gives readers the information they need to select bonds suited to their needs but also tells them how to allocate bonds within a portfolio and then concludes with specific strategies for reducing taxes and increasing income.
