**Minerals Yearbook** Geological Survey, Interior Department, Mines Bureau, 2019-02-15 This volume covering metals and minerals contains chapters on approximately 90 commodities In addition this volume has chapters on mining and quarrying trends and on statistical surveying methods used by Minerals Information plus a statistical summary     **Upon the Fields of Battle** Andrew S. Bledsoe, Andrew F. Lang, 2018-11-07 New developments in Civil War scholarship owe much to removal of artificial divides by historians seeking to explore the connections between the home front and the battlefield Indeed scholars taking a holistic view of the war have contributed to our understanding of the social complexities of emancipation of freedom in a white republic and the multifaceted experiences of both civilians and soldiers Given these accomplishments research focusing on military history prompts prominent and recurring debates among Civil War historians Critics of traditional military history see it as old fashioned too technical or irrelevant to the most important aspects of the war Proponents of this area of study view these criticisms as a misreading of its nature and potential to illuminate the war The collected essays in *Upon the Fields of Battle* bridge this intellectual divide demonstrating how historians enrich Civil War studies by approaching the period through the specific but nonetheless expansive lens of military history Drawing together contributions from Keith Altavilla Robert L Glaze John J Hennessy Earl J Hess Brian Matthew Jordan Kevin M Levin Brian D McKnight Jennifer M Murray and Kenneth W Noe editors Andrew S Bledsoe and Andrew F Lang present an innovative volume that deeply integrates and analyzes the ideas and practices of the military during the Civil War Furthermore by grounding this collection in both traditional and pioneering methodologies the authors assess the impact of this field within the social political and cultural contexts of Civil War studies *Upon the Fields of Battle* reconceives traditional approaches to subjects like battles and battlefields practice and policy command and culture the environment the home front civilians and combatants atrocity and memory revealing a more balanced understanding of the military aspects of the Civil War s evolving history     **Minerals Yearbook** Geological Survey, Interior Department, Mines Bureau, 2019-02-15 This volume covering metals and minerals contains chapters on approximately 90 commodities In addition this volume has chapters on mining and quarrying trends and on statistical surveying methods used by Minerals Information plus a statistical summary     **The Literary Digest** Edward Jewitt Wheeler, Isaac Kaufman Funk, William Seaver Woods, Arthur Stimson Draper, Wilfred John Funk, 1919     **Eastern Mennonite University** Donald B. Kraybill, 2017-09-12 In this unique educational history Donald B Kraybill traces the sociocultural transformation of Eastern Mennonite University from a fledgling separatist school founded by white rural Germanic Mennonites into a world engaged institution populated by many faith traditions cultures and nationalities The founding of Eastern Mennonite School later Eastern Mennonite University in 1917 came at a pivotal time for the Mennonite community Industrialization and scientific discovery were rapidly changing the world and the increasing availability of secular education offered tempting alternatives that threatened the Mennonite way of life In response the

Eastern Mennonites founded a school that would uphold the principles of plainness and simplicity where youth could learn the Bible and develop skills that would help advance the church In the latter half of the twentieth century the university s identity evolved from separatism to social engagement in the face of churning moral tides and accelerating technology EMU now defines its mission in terms of service peacebuilding and community Comprehensive and well told by a leading scholar of Anabaptist and Pietist studies this social history of Eastern Mennonite University reveals how the school has mediated modernity while remaining consistently Mennonite A must have for anyone affiliated with EMU it will appeal especially to sociologists and historians of Anabaptist and Pietist studies and higher education     Daily Commercial Letter ,1902
