Hanna, Stephanie Pepper, Mohamed Ibrahim, Peggy Woodall, 2013-12-05 From Teamwork to Excellence Labor and Economic Factors Affecting Educators is a great book for anyone interested in team building. In order to work as a team, educators need to know the contributions that each member of the team provides to build a successful school. They need to know what their teammates have been trained to do and which uses of their time and effort are likely to be effective. Data based suggestions of ways to productively utilize the time of teammates are provided along with many illustrations from the authors professional experiences. This book demonstrates how time and talent can be used effectively in the various roles found in PK 12 with one chapter addressing time management in higher education. The authors wanted to show just how much extra time and money educators give to the profession. This text could be utilized in Schools of Education as a required or optional textbook as a tool for school leaders who plan professional development as a resource to the public to better understand the world of education today. **The Latest and Best of TESS**, 1991 *McGraw-Hill Education SAT 2017 Cross-Platform Prep Course* Christopher Black, Mark Anestis, 2016-05-06 Publisher's Note: Products purchased from Third Party sellers are not guaranteed by the publisher for quality, authenticity, or access to any online entitlements included with the product.
