

1. TRAINING

The most responsible and mature field staff of [name of implementing organization] should be appointed to the positions of field supervisor. It is important that field supervisors attend the interviewer training as well as the specific supervisor training.

The active involvement of field supervisors in interviewer training is necessary for understanding the role of the interviewer and the problems that teams may encounter during fieldwork.

After completing the interviewer training, the final selection of field supervisors will be made. Following this but prior to the beginning of fieldwork, two or three days of additional training will be provided on the specific duties of field supervisors. This is to ensure that all teams will be following a uniform set of procedures.

2. RESPONSIBILITIES OF THE SUPERVISOR

The supervisor is the senior member of the field team. S/he is responsible for the well-being and safety of team members as well as the completion of the assigned workload and the maintenance of data quality. The supervisor receives his/her assignments from and reports to the [field coordinator or project director].

Although only men will be recruited as interviewers to administer the male questionnaire, women may be recruited as supervisors.

2.1 Role of supervisors

The following are expected of supervisors:

- a. Attending interviewer and supervisor training and pilot test.
- b. Preparing for field work daily, including packing for the team, lunch and the team's daily finances.
- c. Managing the team's budget during data collection.
- d. Allocating households and deploying staff for interviewers.
- e. Driving/taking the team safely to the study area (where relevant).
- f. Identifying the correct areas for the interviews and selecting the target households as well as ensuring that fieldworkers identify the appropriate participants within a household.
- g. Managing PDA equipment - packing, unpacking, safekeeping, recharging and uploading data, troubleshooting (if your research project is using PDAs or similar technology to collect data).
- h. Managing staff in the field - safety, discipline, conduct and debriefing.
- i. Conducting quality control of interviews.
- j. Completing all the appropriate paper work connected to the project.
- k. Keeping regular contact with the field coordinator.
- l. Maintaining team morale.
- m. Handling all other meaningful requests.
