Wedding Photography Now A Fresh Approach To Shooting Modern Nuptials Photography Now:

Wedding Photography Now! Michelle R. Turner, 2008 Today's brides and grooms know exactly how they want their nuptials photographed spontaneous and fun rather than demure and posed. This huge demand has led to a new style of cutting edge wedding photojournalism a twist on tradition that requires lensers with a keen eye for stylish composition and an ability to anticipate the significant and emotion filled moment. Packed with practical advice on techniques this contemporary re-examination of a classic subject teaches those crucial skills including how to use angles lighting and location to create uniquely personal photos for the modern marrying couple. It takes you through all the essential stages for creating a one of a kind and meaningful wedding photo album from private portraits to risqué shots of the bride getting dressed on the big day.

The Wedding Photography Field Guide Michelle Turner, 2011-05-23 Long gone are the days of lining up the wedding party for predictable and overly staged group shots. Now more than ever couples want to remember their wedding day and the run up to it with candid photojournalistic style photos and innovatively designed albums. The Wedding Photography Field Guide is a source of inspiration and illumination and sets out how to capture the true essence and atmosphere of this emotionally charged and very special day. Get the latest information on digital gear and a professional's take on top techniques for covering all the action. Stuffy staged wedding photos are a thing of the past. Master modern wedding reportage and capture the true spirit of the event and the personalities of the couple and guests. Discover the secrets of creating uniquely personal and contemporary bridal portraits and albums. Don't get left behind in this competitive marketplace. Follow Michelle Turner's advice and build up a portfolio that can pack a punch. Whether you are simply shooting a friend's wedding, breaking into the business or looking to refresh your approach this book is essential.

Step-by-Step Wedding Photography Damon Tucci, 2014-08-12 In wedding photography there are few second chances. Creating professional quality images requires more than just a good eye, it takes a solid plan of action and the ability to improvise on the spot when things don't go as planned. In this book acclaimed wedding photographer Damon Tucci takes you through the process he uses to maximize his efficiency, achieve dazzling results with natural light, make the most of even lackluster scenes and backgrounds and come home with the money shots every time. From pre-ceremony preparations to the last moments of the reception, Tucci walks you through each step of the day telling you where to be, what to look for and how to ensure client pleasing results.
