seeking skills to the test and create her own podcast around the question that won't stop running through her head. What happened to Rachel Riley? With the entire eighth grade working against her, Anna dives headfirst into the evidence. Clue after clue, the mystery widens, painting an even more complex story than Anna could have anticipated. But there's one thing she's certain of: If you're going to ask a complicated question, you better be prepared for the fallout that may come with the answer.
