**Key Changes** Howie Singer, Bill Rosenblatt, 2023 Tells a new story about the history of the music business and the ten technological advances that disrupted it over the last century In recent years narratives about the music industry tend to hew to a common theme it was humming along for decades until the Internet and Napster came along and disrupted it Key Changes shows that this view is incorrect the industry was actually shaken up not once in the 1990s but ten times over more than 100 years These ten disruptions came with the introduction of new formats for enjoying recorded music starting with the cylinders and discs played on early phonographs then moving through radio LPs tapes CDs television digital downloads streaming and streaming video and then into Artificial Intelligence AI which enables a wide range of new capabilities with profound impacts upon the business This book devotes a chapter to each of these formats illustrating how such innovations beget shifts in creativity consumer behavior economics and law Each of the technological innovations covered in this book not only disrupted the music business but also fundamentally altered the industry's character And while the technologies themselves have evolved in unique and

varied ways over the decades the changes within the business follow a clear pattern Veteran music industry professionals and music technology experts Howie Singer and Bill Rosenblatt illuminate this pattern through a framework they term the 6 Cs cutting edge technology channels of distribution creators consumers cash copyright This framework provides insight into how such disparate innovations similarly disrupted and transformed the music business in each era Extensively researched and supplemented by interviews with Grammy winning artists producers and executives the book provides an insightful perspective on the ways technology has fundamentally altered the music industry throughout history and into the present era

**Teaching Music Improvisation with Technology** Michael Fein, 2017 This book illustrates how technology can be used to support improvisational growth and musical development in the practice room and music classroom Hands on technology activities guide the reader through the basic mechanics of improvising and the essential music theory elements needed to improvise and teach improvisation

**iWar** Tim Higgins, 2025-09-16 The wildly enthralling and entertaining story of Apple's monopolistic impulses and the global business and political forces arrayed against its 3 trillion empire iWar is a saga of corporate intrigue control and competition featuring some of the world's most brilliant and powerful minds It is the story of Apple the tech corporation which has built near unassailable market power through its iPhone and app ecosystem and controls not only commerce but also culture and increasingly the flow of ideas And it is the story of a powerful cadre of tech moguls determined to take it down Over time a loose and disparate group of billionaires each driven by their own reasons has formed to challenge Apple's supremacy including Daniel Ek Spotify Tim Sweeney Epic Games Fortnite Mark Zuckerberg Facebook Meta and Elon Musk Twitter X With in depth reporting Wall Street Journal business columnist Tim Higgins chronicles these tech moguls and their quest to weaken a powerful rival aiming at destroying the Walled Garden around Apple's iPhone Empire while telling a larger story of the global digital and information economy

*The Build-a-Boyfriend Project* Mason Deaver, 2025-08-05 Bestselling and award winning author Mason Deaver's adult romance debut follows a journalist in a dead end job who agrees to teach his disastrous blind date how to be a better boyfriend Readers will delight in this sweet and steamy queer romance with trans representation Eli Francis is stuck Stuck in an assistant position at the online magazine Vent when he should be a writer Stuck with a boss who dangles a promotion but would rather he just fetch the coffee Stuck working alongside the ex who has had no trouble moving up at work or moving on When Eli's roommates push him to date so he can get over his ex once and for all they set him up with Peter Park Tall handsome and unbelievably awkward The date is a complete disaster and further proof to Eli that love isn't for him But when his boss overhears Eli recounting the catastrophic night he suggests teaching Peter to be a better boyfriend through a series of simulated dates so he can write an article about it But Eli has other ideas Eli plays along pretending to write the article while secretly interviewing Peter about growing up queer in the South and coming of age dating wise in adulthood Eli hopes writing this sort of piece will finally get him the promotion he deserves And in exchange he will teach Peter how to be a better boyfriend

But the more time Eli spends with Peter the closer they become and the lines between what's real and what's fake begin to blur Before long Eli is forced to face his greatest fears to become the writer he wants to be and secure the love he's always needed
