have changed the way today s designers must view traditional letterheads which to the surprise of some industry experts  
have become more important than ever As more and more business is being done electronically an even greater emphasis  
must be placed on letterhead business cards and folder design to ensure that they are in tune with the look and feel of a  
company s website This can get tricky as creating a design that looks good in print 300 dpi as well as on the web 72 dpi is not  
always the easiest task to accomplish But in Clio award winning designer David E Carter s comprehensive resource readers  
will discover how to create stunning designs and letterheads that work well on both the printed and the digital page The Big  
Book of Designs for Letterheads and Web Sites displays literally hundreds of examples that help designers recognize the  
parameters of print and web letterhead design where they work together seamlessly and where some creative integration  
must be done This valuable resource makes it clear that the web revolution has not rendered print communications obsolete  
but has in effect made the design and letterhead on print communications even more important when conveying a company s  
message and keeping it consistent The author has a Clio and seven Emmy Awards to his credit Contains hundreds of working
