We will figure this out He nodded his head confidently What was there to figure out He would return me to my home Father would order Thomrick to beat me and I would spend the rest of my days trying to keep Halvor from raping me Which would bring more beatings until if I ever got lucky I died See She belongs to us Now give her over she has amends to make Halvor raked his eyes my way and I felt sick again I slid back behind the stranger She belongs to me If she must return to her home then it is with me I would know why you have treated her so The rumble in the warrior s voice sounded deadly
