Goodreads Choice Usa Returns:

The Next President of the United States ,R.A.W.,2023-01-02 This great country was founded on Christian principles and ideologies to escape a tyrannical government and pave the pathway to freedom for its citizens However there are those in power who are desperately trying to take away our freedoms through force coercion deception and indoctrination As a result American democracy is on the verge of collapse This should not come as a surprise as great civilizations of the past have followed the same predictable sequence Measures must be taken to stop this sequence if we care for our way of life Fixing the problem is not a task reserved for the select elite in power We the people can implement common sense solutions to save our beloved country If democracy is lost in America then it will be lost to the world This book was created by a concerned citizen and gifted to those willing to open their eyes to the truth Join me on this journey to salvation Freedom is never more than one generation away from extinction We didn t pass it to our children in the bloodstream It must be fought for protected and handed on to them to do the same or one day we will spend our sunset years telling our children and our children s children what it was once like in the United States where men were free Ronald Reagan

Poignant engrossing People. Lisa Wingate takes an almost unthinkable chapter in our nation's history and weaves a tale of enduring power. Paula McLain Memphis 1939. Twelve year old Rill Foss and her four younger siblings live a magical life aboard their family's Mississippi River shantyboat. But when their father must rush their mother to the hospital one stormy night Rill is left in charge until strangers arrive in force. Wrenched from all that is familiar and thrown into a Tennessee Children's Home Society orphanage the Foss children are assured that they will soon be returned to their parents but they quickly realize the dark truth. At the mercy of the facility's cruel director Rill fights to keep her sisters and brother together in a world of danger and uncertainty. Aiken South Carolina present day. But when Avery returns home to help her father weather a health crisis a chance encounter leaves her with uncomfortable questions and compels her to take a journey through her family's long hidden history on a path that will ultimately lead either to devastation or to redemption. Based on one of America's most notorious real life scandals in which Georgia Tann director of a Memphis based adoption organization kidnapped and sold poor children to wealthy families all over the country.
