**The Groston Rules** Mark Binder, 2020-11-08 THE GROSTON RULES is an edgy book for high school readers. With suspenseful twists and turns, it is a captivating and lighthearted high school tale about teens in trouble surviving high school through their strong friendships. Adults, young adults, and mature teens won't be able to put it down because the story is as much about teen survival and unschooling as it is a young adult coming-of-age tale rife with dark humor, teen comedy, fuck ups, and the occasional raunchy teen story. It's a fast-paced laugh-out-loud book that teenagers will actually read. A naughty high school teen comedy that you can't put down. All they wanted was to get high and graduate. Isaac, Adam, Helen, Charlie, Sean, Jesus, and Rover had planned on coasting through their final semester at Ashby Bryson High. Get stoned, play video games, get into college, and get the hell out of Groston. Instead, the shit kept hitting the fan over and over and over again. Fights, floods, freezes. And then school got shut down. So they threw the rules out the window and made up their own. The very first novel to be serialized on Spotify. Advance Praise for THE GROSTON RULES: A group of high schoolers deals with mishaps and disasters six months before graduation in this coming-of-age novel. Immensely likable characters on an enthralling and entertaining journey. Kirkus Reviews.
