Osama, 2022-10-28 The field of marketing has changed for the good as the lines between the online and the offline worlds continue to blur and merge as new metaverses emerge. The evolution of online to offline and offline to online strategies and business models are transforming the research agenda for academicians and work practices for professionals. Further study on this evolution is required to fully understand the opportunities and future directions. Marketing and Advertising in the Online to Offline O2O World presents an insight into online and offline marketing strategies and practices and focuses on the emerging trend in the online and offline worlds. The book also explores the potential use of emerging technologies such as virtual reality, mixed reality, and big data analytics in different marketing and advertising functions. Covering key topics such as consumer behavior, brand equity, advertising, and brand performance, this reference work is ideal for business owners, industry professionals, managers, administrators, policymakers, researchers, academicians, scholars, practitioners, instructors, and students.

The Role of Artificial Intelligence Applications in Business Ra'ed Masa'deh, 2025-05-19 The Role of Artificial Intelligence Applications in Business examines key aspects of how digital technologies impact businesses including AI-powered chatbots, self-service portals, and online customer support systems which can help enhance the overall customer experience.
