The Discourse of Online Consumer Reviews Camilla Vásquez, 2014-06-19 The Discourse of Online Reviews is the first book to provide an account of the discursive pragmatic and rhetorical features of this rapidly growing form of technologically mediated communication Examining a corpus of over 1 000 consumer reviews Camilla V squez explores many of the discourse features that are characteristic of this new user generated computer mediated and primarily text based genre She investigates the language used by reviewers as they forge connections with their audiences to draw them into their stories as they construct their expertise and authority on various subjects and as they evaluate and assess their consumer experiences She also demonstrates how reviewers display their awareness about emerging conventions of the very genre in which they are participating This book adopts an eclectic approach to the analysis of discourse and explores topics such as evaluation identity and intertextuality as they occur in online reviews of hotels restaurants recipes films and other consumer products

**Dystopian States of America** Matthew B. Hill, 2022-09-13 Dystopian States of America is a crucial resource that studies the impact of dystopian works on American society including ways in which they reflect our deep and persistent fears about environmental calamities authoritarian governments invasive technologies and human weakness Dystopian States of America provides students and researchers with an illuminating resource for understanding the impact and relevance of dystopian and apocalyptic works in contemporary American culture Through its wide survey of dystopian works in numerous forms and genres the book encourages readers to connect with these works of fiction and understand how the catastrophically grim or disquieting worlds they portray offer insights into our own current situation In addition to providing more than 150 encyclopedia articles on a large and representative sample of dystopian apocalyptic narratives in fiction film television and video games including popular works that often escape critical inquiry Dystopian States of America features a suite of critical essays on five themes war pandemics totalitarianism environmental calamity and technological overreach that serve as the foundation for most dystopian worlds of the imagination These offerings complement one another enabling readers to explore dystopian conceptions of America and the world from multiple perspectives and vantage points **Congressional Record**

, 1998-07 **Alberta Law Review**, 2013 **Provocation in Women's Filmmaking** Janice Loreck, 2023-03-08 Critics regularly use the term *provocateure* to describe controversial film directors Although most individuals who attract this term are men there is a long and largely unexamined history of female auteurs who shock and unsettle their viewers *Provocation in Women's Filmmaking* Authorship and Art Cinema investigates how women directors participate in the

tradition of provocative art cinema Focusing on the post millennium films of auteurs such as Lisa Aschan Catherine Breillat Jennifer Kent Isabella Eklof Lucile Hadzihalilovic Claire Denis Anna Biller and Athina Rachel Tsangari this book considers the aesthetics and strategies of women s provocative filmmaking in contemporary cinema Challenging the gendering of provocation as a hyper masculine mode of authorship the book uncovers an enticing and complex array of divisive works by women **Minnesota Law Review** ,2015 *Translating Spanglish in US Latinx Audiovisual Stories* Remy

Attig,Roshawnda A. Derrick,2025-06-27 This collection showcases interdisciplinary perspectives on how Spanglish is translated across different forms of audiovisual media for different audiences in the US Latinx content The volume explores the ways in which Spanglish is used in American media to portray the hallmark linguistic characteristics of the communities in which they are set but also the different scholarly approaches employed to analyze them in existing research The first section looks at the interplay of code switching translanguaging and linguistic identity in television shows and films but also podcasts music and other emergent forms of media The second part examines US Latinx stories through the lens of translation studies with chapters showcasing different lines of inquiry within contemporary translation scholarship including accessibility via captioning and interlingual translation through subtitling and dubbing Taken together the volume offers a holistic view on how Spanglish is translated in US Latinx stories towards paving the way for future research in this context but also on multilingual and translingual audiovisual stories more broadly This book will be of interest to scholars in sociolinguistics translation studies language and media media studies and Latinx studies **The Economy of Algorithms**

Marek Kowalkiewicz,2024-02-12 A damn well written book a thrilling entertaining whirlwind tour of different AI algorithms and their industry applications Tobias Lange Senior Vice President Siemens Digital Industries Software Welcome to the economy of algorithms It s here and it s growing In the past few years we have been flooded with examples of impressive technology Algorithms have been around for hundreds of years but they have only recently begun to escape our understanding We are so impressed by what they can do that we give them a lot of agency But because they are so hard to comprehend this leads to all kinds of unintended consequences In the twentieth century we had the economy of corporations In the first two decades of the twenty first century we saw the emergence of the economy of people otherwise known as the digital economy enabled by the internet Now we re seeing a new economy take shape the economy of algorithms How can we use algorithms to automate the boring parts of our jobs enhance decision making and drive innovation Where is the line between algorithmic help and surveillance Can an algorithm take your job How do you advertise to a fridge Do algorithms dream of electric sheep Why is it so hard to predict where technology will go next These questions and more are answered by this exciting and ground breaking book which includes nine rules for flourishing in the new economy of algorithms

*Strategic Database Marketing 4e: The Masterplan for Starting and Managing a Profitable, Customer-Based Marketing Program* Arthur Hughes,2011-12-20 Use the latest digital technologies for lifelong customers and repeat sales Arthur

Middleton Hughes is database marketing's Great Explainer. He has a unique gift for taking complex subjects and breaking them down in ways people can easily understand. This is the most approachable book I have ever read on the subject. Ken Magill, Publisher, The Magill Report. Strategic Database Marketing is a must read for anyone in CRM or e-mail marketing. The Customer Lifetime Value information and formula is critical to utilize. Arthur's information makes it easy to update with your e-mail metrics and improve KPIs to know the success of each marketing program. David Horwedel, eCRM Program Manager, Dell. Arthur Hughes is truly a direct marketing database guru. This edition of Strategic Database Marketing is a must read for any marketer in today's ever-changing environment. Vicki Updike, President, Miles Kimball Company. Strategic Database Marketing objectively challenges the very way we go about using our data and where we should be going in the future. It is an important, informative, and enjoyable read. Matt Edgar, Founder, Global Marketing Alliance and publisher of Direct Marketing International. Strategic Database Marketing provides the fundamentals of consumer data management that every marketer should know. Arthur's insight into utilizing e-mail and social media both as a data source and communication medium is key to creating the highly relevant and targeted messaging that today's consumers demand. Angela Sanchez, Sr. Director of Marketing, Universal Music Group. Arthur Hughes describes how smart marketers amass the mounds of valuable customer data accumulated by their company, find common characteristics among those individuals, and then suggest a product or service that customers will be eager to purchase even before they know they want to buy it. Kathryn Kiritsis, Director, Online Marketing, Avis Budget Group. Read this book if you are looking to make sense of the complexities of database marketing in the digital world. Mr. Hughes has produced a tour de force. Steve Cobden, CMO, Thompson Company of Tampa, Inc. I have learned so much from Arthur Hughes over the years. This book is no exception. He continues not only to address theory but also offer practical, measurable application. Sue Coakley, Sr. Director, Customer Contact Strategy, Yahoo. About the Book. Since the previous edition of Strategic Database Marketing was published in 2006, digital tools like Google, e-mail, mobile devices, and social networking sites have completely changed the game. Customer outreach knows no boundaries; program management is more complex, and smart use of databases is absolutely critical to success. With these new challenges, though, come great opportunities, and this thoroughly updated new edition has everything you need to seize them all. Retaining all the tips, tactics, and strategies that have made Strategic Database Marketing the go-to resource for marketers who take their craft seriously, this classic guide gives you the most current tools and techniques for gathering and measuring metrics and making accurate predictions with them. Completely revised and updated, this new edition covers all the foundational database marketing principles and practices, including Lifetime Value (LTV), Building profits with recency and frequency, The off-e-mail sales multiplier, Customer and subscriber acquisition, Monetary RFM analysis, Expanding retail store traffic, Customer segmentation, Analytics and modeling, Loyalty marketing, Measuring the impact of social media, Testing and control groups, Business-to-business database marketing. All quizzes, forms, strategies, charts, and graphs are available online.

for instant reference and downloads The book also enables you to calculate the lifetime value of your subscribers and customers and sample online databases to quantify your efforts The personal customer information stored in your company's database files provides you with a unique and valuable competitive advantage But are you using that information productively Is your data difficult if not impossible for frontline employees to access when needed Strategic Database Marketing Fourth Edition is a one stop resource for making the best possible use of database marketing to meet your strategic goals while keeping up with the changing nature of the market
