Foundations of Psychological Testing Sandra A. McIntire, Leslie A. Miller, 2007 I used McIntire and Miller's book on testing in my research course two years ago Students loved this book for its clarity and personality It is hard to imagine how the authors could have improved on the First Edition Nevertheless this new edition of the Foundations of Psychological Testing is better than any of its competitors The authors should be congratulated for making a topic that has been formidable to students in the past much more accessible to today's students Douglas Herrmann Emeritus Professor Indiana State University Director of Research Practical Memory Institute The Second Edition of Foundations of Psychological Testing is a scholarly yet pragmatic and easy to understand text for undergraduate students new to the field of psychological testing Using an engaging conversational format the authors aim to prepare students to be informed consumers as test users or test takers not to teach students to administer or interpret individual psychological tests New to the Second Edition Incorporates new content This edition includes a new chapter on computerized testing and is updated throughout to reflect new research

tests and examples Offers new learning strategies To further promote student comprehension new and enhanced learning aids include a blueprint of text material In the News and On the Web boxes Test Spotlights and an Engaging in the Learning Process section at the end of each chapter with learning activities study tips and practice test questions Encourages instruction through conversation In response to students requests to simplify complex concepts the authors use an easy to read conversational style This format clearly and concisely communicates the basics of psychological testing and relates these basics to practical situations that students can recognize and embrace Instructor Resources on CD are available to qualified adopters including chapter outlines discussion questions teaching tips review questions and more **5 Steps to a 5 AP Biology, 2014-2015 Edition** Mark Anestis,Kellie Cox,2013-07-24 A PERFECT PLAN for the PERFECT SCORE STEP 1 Set up your study plan with three customized study schedules STEP 2 Determine your readiness with an AP style diagnostic exam STEP 3 Develop the strategies that will give you the edge on test day STEP 4 Review the terms and concepts you need to score high STEP 5 Build your confidence with full length practice exams **The Official SAT Study Guide** ,2015
