Day Trading Attention Gary Vaynerchuk, 2024-05-21 New York Times and USA Today Bestseller One thing I've learned being around Gary for the last decade is that when he sees new consumer trends or new best practices in marketing people should listen and act on them Michael Rubin CEO of Fanatics In his seventh business book bestselling author entrepreneur and investor Gary Vaynerchuk offers fresh in depth advice to enhance brand development grow sales and beat the competition using modern advertising strategies grounded in social media In his 2013 bestseller *Jab*

Jab Jab Right Hook Gary Vaynerchuk showed the world how to create winning content for underpriced attention channels But since then new platforms have emerged others have become less relevant and algorithms are incentivizing new styles of content New skills are necessary to create advertising that builds brand and sales In his latest book Vaynerchuk argues that today's fast growing businesses brands content creators and influencers have one thing in common They mastered storytelling in areas of underpriced attention which predominantly exists across a handful of social media platforms Informed by 20 years of business and marketing success he contends that the biggest transformation and opportunity is the TikTokification of Social Media Increasingly platforms are distributing content based on what users are interested in rather than who they follow In Day Trading Attention Gary offers detailed advice on how small businesses large corporations and creators can Understand attention what it is where it is where it's underpriced and how to leverage it Produce relevant strategic content Use modern advertising platforms to build brand and grow sales in today's rapidly changing environment

Social Media and Society Regina Luttrell, Adrienne A. Wallace, 2024-07-01 Exploring social media's integration with modern society this text empowers students as social media consumers and creators The thoroughly updated second edition includes a new chapter on AI technologies Features include full color visuals glossary chapter questions and activities and theory ethics and diversity and inclusion boxes
