Bookstagram Picks Review Customer Service:

Waiting For Service Amas Tenumah, 2021 You hate waiting in line or on the phone for customer service There have been plenty of books about customer service that all seem to offer secrets to improve customer service This is not that book I instead want to focus on Why customer Service is so broken and give you the secrets to get around it Customer service is bad by design Your bad customer service is not random it is intentional Customer Service is universally terrible this is not an opinion You do not have to believe me I am saying it is raining outside and you can simply look out the window I spent two decades helping dozens of your favorite brands with customer service You will laugh get mad all over again at some of the conversations I have had with executives around customer service I name names expose Customer Service nightmares from Travel to Cable Walmart fast food and so much I also provide you with how to get around bad service and offer radical thinking to reset customer service Amas Tenumah

Customer Service For Dummies Karen Leland, Keith Bailey, 2011-03-03 Customer Service For Dummies Third Edition integrates the unbeatable information from Customer Service For Dummies and Online Customer Service For Dummies to form an all in one guide to customer loyalty for large and small businesses alike The book covers the fundamentals of service selling and presents up to date advice on such fundamentals as help desks call centers and IT departments Plus it shows readers how to take stock of their customer service strengths and weaknesses create useful customer surveys and learn from the successes and failures of businesses just like theirs Karen Leland and Keith Bailey Sausalito CA are cofounders of Sterling Consulting Group an international consulting firm specializing in quality service consulting and training for such clients as Oracle IBM Avis and Lucent

The Best Service is No Service Bill Price, David Jaffé, 2011-09-14 In this groundbreaking book Bill Price and David Jaffe offer a new game changing approach showing how managers are taking the wrong path and are using the wrong metrics to measure customer service Customer service they assert is only needed when a company does something wrong eliminating the need for service is the best way to satisfy customers To be successful companies need to treat service as a data point of dysfunction and figure what they need to do to eliminate the demand The Best Service Is No Service outlines these seven principles to deliver the best service that ultimately leads to no service Eliminate dumb contacts Create engaging self service Be proactive Make it easy to contact your company Own the actions across the company Listen and act Deliver great service experiences

Satisfaction Guaranteed Byrd Baggett, 2005-04 Excellence in customer service results in long term success says Byrd Baggett If you've lost customers lately or are unsure whether customers are happy with your company it's time to review your customer service record This book is a digest of everything that Baggett has learned about meeting customers needs successfully An enterprise that puts customers first will succeed expand whereas one that focuses only on the bottom line will have to drum up new business constantly That is why it's important to remember that any business is only one bad experience away from losing a customer that if you promise the moon you'd better deliver that the phone should be answered
