*Post-Weird* Calum Lister Matheson, 2025-11-11 Post Weird Fragmentation Community and

the Decline of the Mainstream is an ambitious look at how communities form when old forms of authority and meaning seem

to be collapsing around us This book goes beyond the fraying of contemporary American culture to ask how communities that used to be considered fringe for better or worse come together Dr Matheson examines far flung groups from Appalachian

serpent handling churches to Sandy Hook conspiracy theorists pro anorexia Internet forums to reactionary pseudoscientists

finding consistent parallels amidst their diversity The key trend he identifies is anti rhetorical discourse the insistence that the symbols shared by each community represent a hidden truth that cannot be questioned or interpreted but is revealed

through signs words images videos and texts Against these rigid worldviews Dr Matheson calls for a revival of the art of rhetoric not just as a set of techniques but as a creative curious orientation towards the world in all of its ambiguity and uncertainty
