The Awful German Language

Mark Twain, Holger Kersten

The Awful German Language:

The Awful German Language / Die schreckliche deutsche Sprache. Englisch/Deutsch Mark Twain, 2018-09-28 Meine philologischen Studien haben mich davon überzeugt dass ein begabter Mensch Englisch außer Rechtschreibung und Aussprache in 30 Stunden Französisch in 30 Tagen und Deutsch in 30 Jahren lernen kann. Mit bissigem Humor beschreibt Mark Twain der 1878 auf seiner zweiten Europareise auch Deutschland besuchte die Absonderlichkeiten der deutschen Sprache. kilometerlange Wörter Sätze bei denen nach einer Viertelstunde ganz zum Schluss das Verb kommt und hinter das Verb stellt der Verfasser noch haben sind gewesen gehabt haben geworden sein. Das ist u. erst am sant zu lesen zumal wenn man wie hier das Original daneben hat in dem die deutschen Wörter noch fremdartiger wirken. Und ganz nebenbei lernt man dadurch die eigene Sprache noch besser kennen.

The Awful German Language Mark Twain, 2018-04-15 *The Awful German Language* is an essay by Mark Twain published as Appendix D in his 1880 book *A Tramp Abroad*. The essay is a humorous exploration of the frustrations a native speaker of English has with learning German as a second language. Mark Twain's pen name for Samuel Langhorne Clemens (1835–1910) made his first unsuccessful attempt to learn German in 1850 at age fifteen. He resumed his study 28 years later in preparation for a trip to Europe. Upon his arrival in Germany, the fruit of this recent scholarship was attested to in the advice of a friend: "Speak in German, Mark." Some of these people may understand English. During this 1878 stay in Germany, Twain had a dream in which, according to his notebook, all bad foreigners went to German Heaven and couldn't talk and wished they had gone to the other place. *The Awful German Language* was published in the second volume of Twain's *A Tramp Abroad* (1880) as appendix D. Gunilla Anderman and Margaret Rogers describe the work as Twain's most famous philological essay. On October 31, 1897, Twain delivered a lecture titled *Die Schrecken der deutschen Sprache: The Horrors of the German Language* in English to the Concordia Festkneipe in Vienna. The Vienna Press Club. Twain continued to give lectures into the 20th century regarding the language. Twain describes his exasperation with German grammar in a series of eight humorous examples that include separable verbs, adjective declension, and compound words. He is, as the subject suggests, focusing on German as a language, but Twain is also dealing with English to compare the two languages. This allows for an analysis in linguistic weight assigned to various typological and stylistic aspects of language which revolve around the difference between an analytic language like English with a language like German that is a synthetic language with some analytic characteristics. Twain emphasizes these changes through interlinear translation, a manner of translation which tries to preserve the original language without context and in a literal manner, and this method emphasizes the mechanics of the language translated. Morphology: The German language contains a complex system of inflection that is capable of frustrating learners in a manner similar to Twain's argument. Surely there is not another language that is so slipshod and systemless and so slippery and elusive to the grasp. One is washed about in it hither and thither in the most helpless way and when at last he thinks he has captured a rule which offers firm ground to take a rest on.

amid the general rage and turmoil of the ten parts of speech he turns over the page and reads Let the pupil make careful note of the following exceptions He runs his eye down and finds that there are more exceptions to the rule than instances of it The inflections within the language are used to represent both syntax and semantics and function is assigned in hard to grasp ways which combine with Twain s claim about exceptions being rather common in the German language Part of this stems from the language s word order along with gender number and other linguistic aspects being connected to the morphology of individual words One of the key emphases within the work is on German linguistic gender Twain plays with the differences in natural or sexual gender and linguistic or grammatical gender Every noun has a gender and there is no sense or system in distribution so the gender of each must be learned separately and by heart There is no other way To do this one has to have a memory like a memorandum book The problem with the linguistic gender is that it appears to make sense in theory but it operates in an illogical manner as Twain illustrates by mercilessly needling the Germans for what to an outsider appears to be needless foolishness

Humor in Mark Twain's 'The Awful German Language'

Andreas Nauhardt,2009-11-10 Seminar paper from the year 2007 in the subject American Studies Literature grade 2 Martin Luther University Institut f r Anglistik und Amerikanistik course Proseminar Germany and the Germans in American Short Fiction language English abstract In the following paper I am going to analyze Twain s incomparable and particular usage of humor in his essay The Awful German Language Therein Twain uses humor as an instrument to criticize the German language Without its witty and diversified character the essay would be a provocative and mean accusation I will support my thesis with the help of additional information about the author s biography and his first experiences with the German language To explain my thesis and to understand the author s concerns it is important to draw these connections Moreover I will go into detail about the essay structure to illustrate its critical character and effect The large amount of stylistic devices that make the essay particularly impressive and remarkable will be parsed and discussed in addition Eventually I will comment on the essay s impact on success and distinction In doing so the sustainability of this piece will be explained
